Messiah The Revealed Rejected Received:

The Messiah William Varner, 2004-11-23 A mysterious figure called the Messiah is the central theme of the entire Bible. In this book that Messianic theme is traced from its announcement in the Old Testament through its development between the Testaments to its fulfillment in the New Testament. The book also examines how Jews and Christians have continued to debate this subject down until today. There are also some studies on fascinating related subjects like the location of the Temple and the ashes of the Red Heifer. While these chapters have been written from a Christian perspective adequate attention has also been given to Jewish concerns. The Messiah was successively revealed, rejected, and received. This book explains how and why that happened. In this book Will Varner has opened the Scripture to provide a readable, clarifying look at Jesus the Messiah of Israel and the Savior of the world. Jesus once asked His disciples, "Who do men say that I am?" Mark 8:27. That is still the most urgent question: who is this Jesus? You will find the answer powerfully and convincingly provided in this outstanding book. John MacArthur, Grace Community Church, Sun Valley, CA, and President of The Master's College. Patrick Navas, 2006-10-01 In *Divine Truth or Human Tradition* the author examines the viewpoints and Scripture expositions of prominent evangelical scholars and apologists including popular author and debater Dr. James R. White, author of *The Forgotten Trinity*; John MacArthur, President of The Master's Seminary; Wayne Grudem, author of the widely read *Systematic Theology*; Robert Bowman Jr., author of *Why You Should Believe in the Trinity*; Robert Morey, Founder of California Biblical University and Seminary; and author of *The Trinity: Evidence and Issues*; R. C. Sproul, President of Ligonier Ministries; Robert L. Reymond, author of *Jesus Divine Messiah* and *A New Systematic Theology of the Christian Faith*, and others. According to what has long been considered mainstream Christian orthodoxy, the doctrine of the Trinity—the idea that the one true God is in the ultimate sense a divine being made up of three co-equal and co-eternal persons—is not only central to the Christian faith but absolutely necessary for one to accept in order to be counted as a true Christian and be saved. Such a demand on a Christian's faith has come across as strange and perplexing to many, especially so in light of the fact pointed out by one respected Trinitarian: The Trinity is not clearly or explicitly taught anywhere in Scripture yet it is widely regarded as a central doctrine indispensable to the Christian faith. In this regard it goes contrary to what is virtually an axiom that is a given: a self-evident truth of biblical doctrine, namely that there is a direct correlation between the scriptural clarity of a doctrine and its cruciality to the faith and life of the church. Millard J. Erickson, *God in Three Persons*, p. 11. Emphasis added. Understandably this fact has raised questions in the minds of Christians and truth seekers alike ever since the doctrine was first decreed as mandatory to confess in the late 4th century. Many Christians have wondered, "How can a doctrine that is no The Suffering Servant of the Lord, Second Edition David J.
