Metamorphosis Judith McDaniel, 1989 Reflections on recovery poetry moving from addiction and alienation to self empowerment

Encyclopedia of Lesbian and Gay Histories and Cultures Bonnie Zimmerman, George Haggerty, 2021-06-13 A rich heritage that needs to be documented Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavors It covers a long history and a dynamic and ever changing present while opening up the academic profession to new scholarship and new ways of thinking A groundbreaking new approach While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written for and by a widerange of people Intended as a reference for students and scholars in all fields as well as for the general public the encyclopedia is written in user friendly language At the same time it maintains a high level of scholarship that incorporates both passion and objectivity It is written by some of the most famous names in the field as well as new scholars whose research continues to advance gender studies into the future

Encyclopedia of Lesbian Histories and Cultures Bonnie Zimmerman, 2013-08-21 Volume one of this two volume set focuses on lesbian history and culture beginning in 1869 when the study of homosexuality was said to have begun with the establishment of sexology It is intended as a reference for students and scholars in many fields as well as the general public

Encyclopedia of Contemporary LGBTQ Literature of the United States Emmanuel S. Nelson, 2009-07-14 In this two volume work hundreds of alphabetically arranged entries survey contemporary lesbian gay bisexual transgendered and queer American literature and its social contexts Comprehensive in scope and accessible to students and general readers Encyclopedia of Contemporary LGBTQ Literature of the United States explores contemporary American LGBTQ literature and its social political cultural and historical contexts Included are several hundred alphabetically arranged entries written by expert contributors Students of literature and popular culture will appreciate the encyclopedia s insightful survey and discussion of LGBTQ authors and their works while students of history and social issues will value the encyclopedia s use of literature to explore LGBTQ American society Each entry is written by an expert contributor and lists additional sources of information To further enhance study and understanding the encyclopedia closes with a selected general bibliography of print and electronic resources for student research

Encyclopedia of Lesbian and Gay Histories and Cultures George Haggerty, Bonnie Zimmerman, 2003-09-02 Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this Encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavours While gays and lesbians have shared many aspects of life their histories and cultures

developed in profoundly different ways To reflect this crucial fact the Encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written by some of the most famous names in the field as well as new researchers this is intended as a reference for students and scholars in all areas of study as well as the general public Lesbian Histories and Cultures Bonnie Zimmerman,2000 To reflect this crucial fact The Encyclopedia of Lesbian and Gay Histories and Cultures has been prepared in two separate volumes to assure that both histories receive full unbiased attention and that a broad range of human experience is covered
