## **Old-Fashioned Ethics and Common-Sense Metaphysics** William Thomas Thornton,2022-05-28 In Old Fashioned Ethics and Common Sense

Metaphysics William Thomas Thornton presents a thoughtful examination of moral philosophy through a distinctly 19th century lens The book articulates a systematic approach to ethics intertwining metaphysical concepts with practical moral reasoning Thornton employs a clear accessible prose style reflecting the traditions of Utilitarianism and Rationalism while critiquing contemporary moral debates making a case for a return to foundational ethical principles grounded in common sense His work engages with the pressing social issues of his time exploring how ethics can inform actions in an evolving society William Thomas Thornton a prominent English philosopher and economist champions the value of traditional morals amidst the rapid changes of the Industrial Revolution With a background steeped in the empirical philosophies of his predecessors Thornton's academic pursuits reflect a deep concern for societal welfare and individual responsibility His diverse experiences in economics and moral philosophy uniquely position him to address the intersections between ethical theory and everyday life offering insights that remain relevant today Readers seeking a profound understanding of ethics and metaphysics will find in Thornton's work a compelling and timely exploration This book is not just an academic treatise it invites readers to reflect on their own moral frameworks and encourages a thoughtful discourse on what constitutes true ethical living

**Common Sense Metaphysics** Luis Oliveira,Kevin Corcoran,2020-12-28 This book celebrates the research career of Lynne Rudder Baker by presenting sixteen new and critical essays from admiring students colleagues interlocutors and friends Baker was a trenchant critic of physicalist conceptions of the universe She was a staunch defender of a kind of practical realism what she sometimes called a metaphysics of everyday life It was this general common sense philosophical outlook that underwrote her famous constitution view of reality Whereas most of her contemporaries were in general given to metaphysical reductionism and eliminativism Baker was unapologetic and philosophically deft in her defense of ontological pluralism The essays in this book engage with all aspects of her unique and influential work practical realism about the mind the constitution view of human persons the first person perspective and God Christianity and naturalism Common Sense Metaphysics will be of interest to scholars of Baker's work as well as scholars and advanced students engaged in research on
