**The Methods and Methodologies of Qualitative Family Research** ,1996 **The Methods and Methodologies of Qualitative Family Research** Marvin B. Sussman, *Qualitative Methods for Family Studies and Human Development* Kerry J. Daly, 2007-02-15 Qualitative Methods for Family Studies and Human Development serves as a step by step interdisciplinary qualitative methods text for those working in the areas of family studies human development family therapy and family social work Providing a systematic outline for carrying out qualitative projects from start to finish author Kerry J Daly uniquely combines epistemology theory and methodology into a comprehensive package illustrated specifically with examples from family relations and human development research **Qualitative Methods in Family**

**Research** Jane F. Gilgun, Kerry Daly, Gerald Handel, 1992-08-05 Family phenomena are complex subjective and private and their study requires methods and perspectives tailored to this complexity. In response to the rapidly growing interest in this field the contributors to this volume examine the unique contribution that qualitative research can make to the study of families. Through both methodological discussions and illustrative cases from a variety of family settings this book provides the crucial information needed to conduct or learn about qualitative family research. *Methods of Family Research* Theodore N. Greenstein, Shannon N. Davis, 2012-07-16 In the 3rd edition of *Methods of Family Research* authors Theodore N. Greenstein and Shannon N. Davis continue to help students better understand the research results they encounter in doing family research. Using real life examples to illustrate important concepts that family researchers encounter regularly the text covers traditional quantitative methods qualitative methods and the mixed method approach. Written in a clear concise style this book differs from other research methods texts which focus on teaching students how to produce research by teaching them how to consume research in a sophisticated effective manner. The book introduces the basic concepts of social science research methods without excessive technical details. *The Handbook of Social Work Research Methods* Bruce Thyer, 2001 This volume is the definitive resource for anyone doing research in social work. It details both quantitative and qualitative methods and data collection as well as suggesting the methods appropriate to particular types of studies. It also covers issues such as ethics gender and ethnicity and offers advice on how to write up and present your research. *Methodological Concepts* Martyn Hammersley, 2023-02-21 *Methodological Concepts A Critical Guide* clarifies many key terms and issues in social research methodology. It outlines the conventional meanings of these terms but also addresses their contentious character. The aim is to offer interpretations of them that provide a coherent conception of the nature of social science. This book is premised on the idea that more clarity about the meaning of major methodological concepts is essential and that the disagreements which pervade the field must be addressed. Numerous key terms are discussed across 13 chapters including methodology method inquiry research science truth fact rigour bias objectivity data evidence induction deduction abduction understanding explanation reflexivity triangulation theory and researcher integrity. These concepts have been implicated in fundamental divisions among social scientists exemplified by the paradigm wars of the past few decades. The chapters of this book provide an overview of the various meanings given to these terms whilst also offering distinctive interpretations designed to provide a sound basis for social research. *Methodological Concepts A Critical Guide* will be of great use to any student or researcher working in the social sciences. **Handbook of Dynamics in Parent-Child Relations** Leon Kuczynski, 2003 This handbook provides an interdisciplinary perspective on theory research and methodology on dynamic processes in parent child relations. It focuses on cognitive behavioural and relational processes that govern immediate parent child interactions and long term relationships. *Handbook of Qualitative Research Methods for Family Business* Alfredo De Massis, Nadine Kammerlander, 2020-03-28 This timely Handbook provides

a comprehensive guide to the methodological challenges of qualitative research in family business Written by an international multidisciplinary team of experts in the field the Handbook provides practical guidance based on the experiences of senior researchers and features reflective discussion on how to craft insightful rigorous studies **The SAGE Handbook of Current Developments in Grounded Theory** Antony Bryant,Kathy Charmaz,2019-04-22 Building on the success of the bestselling The SAGE Handbook of Grounded Theory 2007 this title provides a much needed and up to date overview integrating some revised and updated chapters with new ones exploring recent developments in grounded theory and research methods in general The highly acclaimed editors have once again brought together a team of leading academics from a wide range of disciplines perspectives and countries This is a method defining resource for advanced students and researchers across the social sciences Part One The Grounded Theory Method 50 Years On Part Two Theories and Theorizing in Grounded Theory Part Three Grounded Theory in Practice Part Four Reflections on Using and Teaching Grounded Theory Part Five GTM and Qualitative Research Practice Part Six GT Researchers and Methods in Local and Global Worlds **Beyond Methodology** Mary Margaret Fonow,Judith A. Cook,1991-04-22 A stellar cast of authors discuss and describe feminist research reflecting the state of feminist discourse in sociology its high quality makes it a must in sociology and women s studies collections Choice empowering thought provoking Gender Society a valuable addition to the literature on feminism and method that reveals important discrepancies and shared themes in its chapters Contemporary Sociology In this interdisciplinary collection of articles by internationally recognized feminist scholars the authors examine efforts to apply feminist principles to the research act Each stage of the research process is examined from sampling techniques to mass media packaging and marketing of feminist research The essays address both abstract philosophical questions and the more practical ways theories are translated into feminist inquiry **Research Methods in Family Therapy** Douglas H. Sprenkle,Fred P. Piercy,2005-06-01 Fully revised and updated the second edition of this widely adopted text and professional reference reflects significant recent changes in the landscape of family therapy research Leading contributors provide the current knowledge needed to design strong qualitative quantitative and mixed method studies analyze the resulting data and translate findings into improved practices and programs Following a consistent format user friendly chapters thoroughly describe the various methodologies and illustrate their applications with helpful concrete examples Among the ten entirely new chapters in the second edition is an invaluable research primer for beginning graduate students Other new chapters cover action and participatory research methods computer aided qualitative data analysis feminist autoethnography performance methodology task analysis cutting edge statistical models and more **Matryoshki in Two Worlds** Sharon Kay Sundre,2000 *Challenges of Aging on U.S. Families* Richard K. Caputo,2005 The coming boom in the population of the aging will impact families at several levels Challenges of Aging on U S Families Policy and Practice Implications explores this trend presenting the latest original research on the changing roles of caregivers along with the economic and emotional

effects on the family unit Respected authorities discuss in detail long term care and the standard of living of families with a focus on the effects of changing family structures on families themselves and society at large Detailed tables provide clarity of thought while comprehensive bibliographies offer further opportunity for study *Qualitative Methods for Family Studies & Human Development* Kerry J.
