Marooned On Eden:

Marooned on Eden Robert L. Forward, Martha Dodson Forward, 1993 They were on a lifelong mission to explore the star nearest Earth And what wonders they found orbiting Barnard's Star an incredible two planet system that shared a single atmosphere But the scientists weren't prepared to be marooned on an alien landscape of great beauty and subtle threat

Marooned in Eden Lorna Brockway Lieske, 2025-10 When they emerged from the lava tube and got their first sight of the lunar surface Harper's breath caught in her throat Rocky and vast and pockmarked with craters of varying size the monochromatic grey expanse extended in every direction to a dark horizon that genuflected before a star speckled infinity It made Harper feel very small indeed And humble like kneeling at the feet of God Stranded some 239 000 miles from Earth by the most devastating celestial disaster since the extinction of the dinosaurs UN Agent Harper Reardon has become an ad hoc investigator with the Lunar Security Corps the New Eden colony's police force In the months since successfully solving the case that brought her to the moon something that put her permanently on LSC Captain Fiona Krieg's shit list Harper and her team Detective Constable Calvin Mendoza and the android RD 482 have found themselves assigned the dregs of the Corps cases gifts from her colleague cum nemesis undoubtedly accompanied by a self-satisfied smirk and a middle finger salute As a result when Krieg unexpectedly announces she has a murder for them Harper is more than a tad suspicious And according to Mendoza she should be There's a body alright but it's not on the moon it's at one of the asteroid mining camps which Cal assures her are the colony's armpits and the worst possible assignment Intrigued and being an admitted foot stomping contrarian Harper snatches up the gauntlet Krieg has thrown down Just who was Reuben Paltrow and who among the miners would want to kill him in such a public twisted way The mining clans are insular groups that keep to themselves so which of Harper's Big Four motives will it turn out to be Love lust loathing or loot She's determined to find out but in order to do so she'll have to deal with an unexpected curveball Krieg has pitched her way a distraction her homesick heart has trouble ignoring

The Pirate Menace Angus Konstam,2024-05-09 This new account explores the most notorious pirates in history and how their rise and fall can be traced back to a single pirate haven Nassau Angus Konstam one of the world s leading pirate experts has brought his 30 years of research to create the definitive book on the Golden Age of Piracy Many of the privateers the British had used to prey on French and Spanish shipping during the War of the Spanish Succession turned to piracy The pirates took over Nassau on the Bahamian island of New Providence and turned it into their own pirate haven where shady

merchants were happy to buy their plunder It became the hub of a pirate network that included some of the most notorious pirates in history Blackbeard Calico Jack Rackam Charles Vane and Bartholomew Roberts The growth of piracy led to a major surge in attacks in the Caribbean and along North America's Atlantic seaboard With the fragile maritime economy of the Americas threatened with collapse major ports were threatened and trade brought to a standstill the British government finally declared war on the pirates The Pirate Menace draws on extensive research as well as a wide range of first hand accounts to produce a new history of the heyday of historical piracy *What Do I Read Next?* ,1994 **Marriage and the Family in New Zealand** Stewart Houston,1970 Eden's Spell Heather Graham,1986 The Windsor Magazine ,1911
