God designed everything including our relationships to function best with what it's compatible with Relationships are healthiest when there is compatibility where it matters most Often times in our love life we allow falling in love to rob us of sound judgment and traditions to excuse us of the responsibility of choosing a life partner wisely Marriage is one of the greatest investments you'll ever make But often times the process to get to marriage dating looks more like preparing for a date mate rather than a life mate The goal is to put biblical wisdom and common sense back into dating Marriage material is not a person but a standard that you must establish for yourself based on what is most workable for you and the purpose God has for your life Whether you are single dating or engaged as you read through these 7 principles it will become clear for you what you need to be looking for in a future spouse This master guide will help you to clearly determine for you what is marriage material
