Married to an Opposite Ron Shackelford,2003-10-30 The cause of clashes between spouses is not that they are from different planets In fact the colliding issues at hand may have nothing to do with gender Seasoned marriage therapist Ron Shackelford explains that the issue at the heart of much marital discord is that the partners are opposite personality types He cites a recent poll indicating that more than 50% of all couples bring different personality approaches to at least two of the four critical areas of marriage decision making belief systems means of energy replenishment and approach to life Understanding and appreciating these differences can not only bring new vigor and love to a marriage but can also show the way to wonderful personal growth for each partner The core of this book builds on the work of Jung and Myers Briggs in the

field of personality types and there are occasional references to the general theology that has guided Shackelford a retired pastor through much of his life The guide is clear astute and at times even amusing making it an enlightening treatment that will strengthen insight empathy and respect for opposites and ultimately revive marriages **Shape Your**

Personality--Shape Up Your Marriage Betsey Bittlingmaier,2000-11-07 This is a self discovery guide to understanding your own personality and the personalities of others A series of questions winnows out and eliminates those traits that are alien to you which leaves your individual personality pattern designated by a famous person from the past who possessed the same traits Two fictional prototypes of each personality are described and then each person is depicted in a marriage with each other type so that the dynamics between each couple are displayed and analyzed Each couple is warned of danger signals and a suggested general focus for growth in the relationship Advice for the uncommitted rounds out the book
