Robin West,2015-12-03 Marriage Sexuality and Gender examines contemporary debates about the meaning and value of marriage The book analyzes arguments for traditional marriage including those of neonaturalists utilitarians and communitarians or virtue theorists The volume also considers a range of feminist welfarist and liberationist arguments for ending the institution altogether It evaluates two major reform movements one focused on expanding marriage to include same sex couples and the other focused on the use of law to render marriage more internally just The book concludes with a plea to activists to redirect marriage equality movements toward the creation of an entirely secular civil union law that would respect a broader range of private life long commitments including but not limited to same and opposite sex couples without threatening the role of religious marriage in the lives of those who embrace it and without penalizing nonparticipants

**The Perplexity of a Muslim Woman** Olfa Youssef,2017-03-08 Using the methodology of modern scholars in the fields of Arabic lexicography linguistics and psychoanalysis Tunisian feminist scholar Olfa Youssef investigates the rulings about inheritance marriage and homosexuality in the Qur anic text itself and compares them with the interpretations provided by male Muslim theologians and legal scholars from medieval times to the present In this book she makes five central

arguments 1 There is a discrepancy between the layered signification in the Qur'anic text itself and the sutured explanations by religious scholars which have been enacted into law in many Muslim countries today 2 the plurality of meanings is the quintessential essence of the Qur'an as evidenced in the absence of any sura over which there was unanimous agreement among Muslim scholars 3 when male privilege was at stake male legal scholars to protect their own interests ignored the divine text and based their rulings on human consensus 4 Muslim medieval views on gender and homosexuality were more tolerant than contemporary ones and finally 5 preferring indeterminacy and perplexity over the finality and certainties found in the judgements of male theologians Youssef argues that only God knows the Qur'an's true meaning Her job as a Muslim female scholar is only to raise questions over those human interpretations that many Muslim societies mistake for divine will The Keys to Sexual Fulfillment in Marriage Jimmy Evans, 2018-11-25 From creation God intended married couples to enjoy sex Yet today as the entertainment industry distorts sexuality God's intentions are misunderstood As a result many married couples experience frustration and hurt instead of finding the tremendous pleasure and fulfillment designed by God In this book Jimmy Evans shatters the lie revealing powerful truths of God's perfect plan for sex within marriage

**Fruitful Embraces** Evelyn E. & James D. Whitehead, 2014-09-10 Sexuality and justice often seem odd bedfellows Sexual embraces of intimacy and passion thrive in our private lives while justice safeguards the laws and duties that govern the public realm Yet intuitively we sense there are deeper connections Both sexuality and justice support the holistic ideal proclaimed by the early Christian writer Irenaeus the glory of God is the human person fully alive Evelyn and James Whitehead combine professional expertise as a psychologist and historian of religion as well as personal experiences and extensive research to explore the interplay of sexuality love and justice on the spiritual journey today While drawing on biblical themes and contemporary psychological insight the Whiteheads examine modern experiences of attachment and vulnerability marriage and friendship compassion and sexual diversity and the psychological and spiritual experiences of transgender persons a new and often bewildering consideration for many Christians Included is a reflection on a prophetic Christian ministry in support of sexuality and justice that illustrates the importance of moral awareness and sensual attunement to the world **Fruitful Embraces** utilizes Christian theology and effective pastoral ministry to explore the vital connections between sexuality and Christian spirituality and links between compassion and justice that will encourage anyone on a spiritual journey to open their hearts and minds to the extravagant diversity of creation **Gardeners' Chronicle**, 1921 **For Pleasure ...
