## **Marrying Stone:**

**Marrying Stone** Pamela Morsi, 2019-07-13 From a USA Today bestselling Author comes a Publisher's Weekly starred review for *Marrying Stone* who described the story as rich and heady as a jug of mountain donk and just as hard to put down. Any successful scholar will make personal sacrifices to enhance his research. But most are never expected to include a suspect marriage to a barefoot hill girl. Musicologist J. Monroe Farley hopes to prove that the wilds of the Ozark Mountains preserved the language and music of an era gone by. Hill Girl Meggie Best only hopes for a handsome prince to make her dreams come true. Neither expects to have life suddenly upended by a jar of bad piccalilli and a skunk. **Marrying Stone** Pamela Morsi, 1994 The national bestselling author of *Runabout* offers a charming new novel about Meggie who has long dreamed of her prince. She finds him in the Harvard educated man who comes to her Ozark town to research folk songs. Even though he is consumed by his studies, Meggie proves an invaluable help and he soon learns the value of true love.

Signalling and Performance: Ancient Rock Art in Britain and Ireland Aron Mazel, George Nash, 2022-08-28 This lavishly illustrated volume presents a state of the art survey of the ancient rock art of Britain and Ireland. Bringing together new discoveries and new interpretations, it enhances our understanding and further establishes ancient British and Irish rock art as a significant archaeological assemblage worthy of attention and additional study. *The Panty Raid* Pamela Morsi, In the fall of 1956, Dorothy Wilbur is a senior on scholarship at state university. Looking toward her future, she's always imagined herself doing scientific research. But in the America of the 1950s, a woman opting for a professional career is seen to be opting out of love, marriage, and family. Hank Brantly is a Korean War veteran going to college on the GI Bill. He's noticed Dorothy, the bonafide dish in his Organic Chemistry class, and he's learned that life is short and a man goes after what he wants. Can an evening of unrepentant underwear thievery lead to romance? Full of doo-wop, poodle skirts, and campus hijinks, *The Panty Raid* is a feel-good read with the grainy nostalgia of a previous generation and the love-work seesaw familiar to those of every age. **Love Overdue** Pamela Morsi, 2014-12-23 Pamela Morsi is a perennial favorite for a good reason: she writes the perfect feel-good read. Susan Wiggs meets Dorothy Jarrold, devotedly unsexy librarian, buttoned-up book lover, DJ, all sensible shoes, drab skirts, and studious glasses. After an ill-advised spring break fueled fling left her mortified, she's committed to her prim and proper look. When she's hired by a rural library in middle-of-nowhere Kansas, she finally has the lifestyle to match, and she can't wait to get her admin on. But it's clear from day one that the small-town library is more interested in circulating rumors than books. DJ has to organize her unloved library, win over oddball employees, and avoid her flamboyant landlady's attempts to set her up with the town pharmacist. Especially that last part, because it turns out handsome Scott Sanderson is her old vacation fling. She is not sure whether to be relieved or offended when he doesn't seem to recognize her. But with every meeting, DJ finds herself secretly wondering what it would be like to take off her glasses, unpin her bun, and reveal the inner vixen she's been hiding from everyone, including herself. *Women in American History*

Peg A. Lamphier, Rosanne Welch, 2017-01-23 This four volume set documents the complexity and richness of women's contributions to American history and culture empowering all students by demonstrating a more populist approach to the past Based on the content of most textbooks it would be easy to reach the erroneous conclusion that women have not contributed much to America's history and development Nothing could be further from the truth Offering comprehensive coverage of women of a diverse range of cultures classes ethnicities religions and sexual identifications this four volume set identifies the many ways in which women have helped to shape and strengthen the United States This encyclopedia is organized into four chronological volumes with each volume further divided into three sections Each section features an overview essay and thematic essay as well as detailed entries on topics ranging from Lady Gaga to Ladybird Johnson Lucy Stone and Lucille Ball and from the International Ladies of Rhythm to the International Ladies Garment Workers Union The set also includes a vast variety of primary documents such as personal letters public papers newspaper articles recipes and more These primary documents enhance users learning opportunities and enable readers to better connect with the subject matter

**Doing Good** Pamela Morsi, 2012 Jane Lofton may have grown up as a nobody but she didn't stay one for long Not once she figured out that hard work tenacity and blond ambition were a girl's best friend Of course having the right husband doesn't hurt either But being rich and successful is not all it's cracked up to be Okay maybe it is but life is still tough Jane is so busy rescheduling her next liposuction shopping for clothes she doesn't need and bragging about her latest real estate sale that she hasn't noticed the callus forming around her heart Her husband is cheating on her and she talks to her daughter through a therapist No life is not perfect So what should she do Jane's not sure but she figures a drive in her convertible might help her relax A broken fingernail momentarily diverts her attention and when she looks up she sees an eighteen wheeler bearing down on her Suddenly Jane's problems become incidental She barely escapes with her life but not before she makes a solemn promise to do good for the rest of her life So how come doing good is so complicated **Letting Go** Pamela Morsi, 2014-08 Like Lavyrle Spencer Pamela Morsi writes tender books about decent people struggling to find love Susan Elizabeth Phillips Fortysomething Ellen Jameson is currently downsizing her life a term she prefers over ones like
