Through Martha's Eyes Corinne Brixton,2017-03-21 Judea The early decades of the first century AD As the power of the Roman Empire stretches across vast swathes of the known world a young Jewish girl grows up within a devout family learning her nation s customs and faith But her seemingly ordinary story will soon intersect with the events that will change history forever As Martha s world is rocked by circumstances that leave her questioning the God in whom her forefathers put their trust she slowly learns to wait and to watch for the One whose coming has been foretold by the prophets the Messiah who will right all wrongs and establish God s kingdom But when Martha and her siblings begin to encounter a radical new preacher from the north their long cherished dreams are first challenged and then shattered Can this extraordinary man Jesus really be the Messiah Using an imagined back story for one of the characters recorded in the gospels *Through Martha s Eyes* provides the reader with the cultural and historical background to understand more fully the story at the heart of human history Its descriptions of places people and customs in the pages of the New Testament seek to enrich and enlighten both those who are new to the Bible and those for whom it is an already cherished treasure This book brings together biblical texts lots of historical and social background and plenty of intelligent imagination Jesus was a real person living in a real historical world among real people and this book helps bring his story alive Revd Dr David Wenham MA PhD Tutor in New Testament Trinity College Bristol author of *The Parables of Jesus* and *Jesus The True Story* All profits to go to Bible Society

John Jey J. Kanagaraj,2013-01-14 In this commentary Kanagaraj examines how John projects the church as God s new covenant community which is characterized by two virtues love and obedience Impossible to exhibit under the old covenant based on Moses Law these qualities became possible by the initiative grace and faithfulness of God revealed in Jesus and demonstrated by the power of the Spirit God s new community is an inclusive and progressive community because its witness to Jesus in a world that hates and persecutes it has the power to bring in all people so that they may become one flock under one shepherd Kanagaraj argues that the idea of founding and nurturing a new community was in God s heart even before the time of creation and not just at the time of incarnation
