John Blackman, 2016-08-25 Bible Studies for Belts A Guide for Christian Martial Arts Vol 1 White Belt Christian Martial Arts Ministry Bible Studies Vol 1 The White Belt The purpose of this book is to assist those within the American Christian Defense Alliance Inc Martial Arts Ministry with a resource to help them better understand the operational framework of the Biblical aspects of our Martial Arts Ministry system and style. In this book we hope to create unity throughout the Christian Martial Arts world by establishing a set standard to utilize while disciplining students in the faith. The ultimate goal for any Christian Martial Arts Ministry should be to disciple brothers and sisters in the Lord. There is such an attack on the fundamental principles of the Word of God in this current time that it's clear to see if we don't do something then we will lose everything. Jesus' last Commandment was to go and make disciples throughout all of the world. He knew that there was coming a time and day when believers would not walk in sound doctrine. This is why He continually emphasized that we should watch and pray lest anyone deceive us. There is no greater thing that we can do to help change the situations around us that we find less than desirable than to love those around us and make disciples as the Lord commanded us. Some may be asking how do you make disciples? Well the simple fact is we do have an example in Christ. He spent over three years with His disciples; they ate, slept, traveled and all work together to support the ministry over that time. The reality is discipleship is a complete immersion into a way of life; in this case the Christian way of life. Martial Arts is merely a tool to enable us to reach those interested in self defense. We hope that you will join with us and use this book as a reference guide to disciplining believers in the faith. If you are part of the American Christian Defense Alliance Martial Arts Ministry in some way this book is a must have for your Ministry. The operational framework of the Biblical concepts and aspects of our Martial Arts Ministry includes a multilayered system approach. Specifically we use a three tiered system which incorporates what we call Colors of the Cross Learning through Creation and Defending Your Faith. The three tiered system approach works in harmony together to help solidify a solid operational framework of Biblical principles covered for each belt level. Table of Contents, Dedication, Acknowledgment, Forward, Chapter 1 How to utilize this Book, Chapter 2 Is it Biblical, Chapter 3 The White Belt, Chapter 4 Colors of the Cross, White Focus is on Holiness, Chapter 5 Learning through Creation, Chapter 6 Defending Your Faith, Chapter 7 Lesson Wrap Up.

The question typically asked about complementary and alternative medicine CAM is whether it works However an issue of equal or greater significance is why it is supposed to work The Healing Gods Complementary and Alternative Medicine in Christian America explains how and why CAM entered the American biomedical mainstream and won cultural acceptance even among evangelical and other theologically conservative Christians despite its ties to non Christian religions and the lack of scientific evidence of its efficacy and safety Before the 1960s most of the practices Candy Gunther Brown considers yoga chiropractic acupuncture Reiki Therapeutic Touch meditation martial arts homeopathy anticancer diets were dismissed as medically and religiously questionable These once suspect health practices gained approval as they were re categorized as non religious though generically spiritual health care fitness or scientific techniques Although CAM claims are similar to religious claims CAM gained cultural legitimacy because people interpret it as science instead of religion Holistic health care raises ethical and legal questions of informed consent consumer protection and religious establishment at the center of biomedical ethics tort law and constitutional law The Healing Gods confronts these issues getting to the heart of values such as personal autonomy self determination religious equality and religious voluntarism

Pettitt,2014-12-05 The Warrior Endorsement The Warrior brought back many memories of the past in my life and some current day battles I still face As a former UFC and Pride fighter I faced many of the same ridicule and resistance from the Religious community and personal friends People would ask me daily how I could be a Christian yet get into a cage and battle The sport then still banned on Network television and the political resistance of it becoming a mainstream sport made acceptance difficult This book helps explain how God uses his followers in all areas and aspects of life not just in Church I have always thought I was used to spread the glory of Jesus and had a captive audience every time I fought It was an opportunity to spread the Love of Christ in what could be a dark place A chance to give God the glory for my victory s when the microphone was handed to me and quote a scripture verse pointing my finger at Jesus and not myself Physical Sports such as MMA are no different than going to school as a teacher It s an opportunity to give God the glory and profess your love for an awesome God The Warrior is one more way we as believers can help others have the piece that we all need I highly recommend this book to all Ron Waterman first WEC super heavyweight champion and former UFC WWE Pancrase and Pride Fighting Championship professional fighter Ron is the Author of Tapped Out by Jesus from the cage to the cross
