

A MARTIAN ODYSSEY

AND OTHERS

Stanley G. Weinbaum

Martian Odyssey

Stanley Weinbaum

Martian Odyssey:

A Martian Odyssey Stanley Weinbaum, 2016-06-24 A Martian Odyssey is a science fiction short story originally published in the July 1934 issue of Wonder Stories. A four man crew crash lands on Mars and Dick Jarvis who sets out on his own meets Tweel a sympathetic creature who shows him the ways of the planet

A Martian Odyssey Stanley G.

Weinbaum, 2021-09-21 Set on a Mars that never was Dick Jarvis one of the members of the first space ship to reach Mars sets out on a solo expedition to photograph the countryside. His Rocket's engine gives out 800 miles from the ship and he is forced to walk back. Accompanied by a Martian that he saved from certain death Jarvis must face one danger after another if he is to get back home

The Martian Odyssey and Other SF Stanley G. Weinbaum, 2008-02-01 Stanley G. Weinbaum is a figure who looms large in the history of SF years before John W. Campbell began editing Astounding he was writing stories that had much the same appeal. He came in a real sense out of nowhere not literally but close to it. Most of the folks writing SF in the first years of the genre were folks who'd write any sort of pulp fiction for the pulps westerns today confessions tomorrow mysteries on Thursdays and oh yes scientific fiction on weekends. Weinbaum started out trying to be a writer of that stripe. He managed to publish a women's serial called The Lady Dances through the King Features newspaper syndicate in 1933 as Marge Stanley. A serial that's never been reprinted much to universal regret. But when the weekend came and he tried his hand at SF something special happened. The book you hold in your hands is a bit of that specialness. It includes half a dozen of Weinbaum's scientific fiction stories: A Martian Odyssey, of course, Valley of Dreams, The Worlds of If, The Ideal, The Point of View, and Pygmalion's Spectacles. Enjoy

A Martian Odyssey Stanley Grauman Weinbaum, 2017-07 A Martian Odyssey is a science fiction short story by American writer Stanley G. Weinbaum. Originally published in the July 1934 issue of Wonder Stories. It was Weinbaum's second published story in 1933; he had sold a romantic novel, The Lady Dances, to King Features Syndicate under the pseudonym Marge Stanley and remains his best known. It was followed four months later by a sequel, Valley of Dreams. These are the only stories by Weinbaum set on Mars. Early in the 21st century, nearly twenty years after the invention of atomic power and ten years after the first lunar landing, the four man crew of the Ares has landed on Mars in the Mare Cimmerium. A week after the landing, Dick Jarvis, the ship's American chemist, sets out south in an auxiliary rocket to photograph the landscape. Eight hundred miles out, the engine on Jarvis' rocket gives out and he crash lands into one of the Thyle regions. Rather than sit and wait for rescue, Jarvis decides to walk back north to the Ares. Just after crossing into the Mare Chronium, Jarvis comes across a tentacled Martian creature attacking a large birdlike creature. He notices that the birdlike Martian is carrying a bag around its neck and, recognizing it as an intelligent being, saves it from the tentacled monstrosity. The rescued creature refers to itself as Tweel. Tweel accompanies Jarvis on his trip back to the Ares, in the course of which it manages to pick up some English although Jarvis is unable to make any sense of Tweel's language. At first, Tweel travels in tremendous city blocks, long leaps that end with its long beak buried in the ground but, upon seeing Jarvis trudge
