Martin Van Buren Caroline Evensen Lazo,2005-01-01 Traces the life and career of the eighth president who led the United States through its first economic depression

**Martin Van Buren and the Making of the Democratic Party** Robert

Vincent Remini,1959 Describes in detail Martin Van Buren s contribution to the formation of the Democratic party and to

look at how when and why he joined with others to support Andrew Jackson

**Martin Van Buren** Ted Widmer,2005-01-05

The first president born after America s independence ushers in a new era of no holds barred democracy The first

professional politician to become president the slick and dandyish Martin Van Buren was to all appearances the opposite of

his predecessor the rugged general and Democratic champion Andrew Jackson Van Buren a native Dutch speaker was

America s first ethnic president as well as the first New Yorker to hold the office at a time when Manhattan was bursting with

new arrivals A sharp and adroit political operator he established himself as a powerhouse in New York becoming a U S

senator secretary of state and vice president under Jackson whose election he managed His ascendancy to the Oval Office

was virtually a foregone conclusion Once he had the reins of power however Van Buren found the road quite a bit rougher

His attempts to find a middle ground on the most pressing issues of his day such as the growing regional conflict over slavery

eroded his effectiveness But it was his inability to prevent the great banking panic of 1837 and the ensuing depression that

all but ensured his fall from grace and made him the third president to be denied a second term His many years of outfoxing

his opponents finally caught up with him Ted Widmer a veteran of the Clinton White House vividly brings to life the chaos

and contention that plagued Van Buren s presidency and ultimately offered an early lesson in the power of democracy

Widmer Young America paints a brief but elegant portrait of our eighth president who Widmer says created the modern

political party system for which he deserves our grudging respect Publishers Weekly

## Embracing the Melody of Phrase: An Emotional Symphony within **Martin Van Buren**

In a world used by monitors and the ceaseless chatter of instant conversation, the melodic splendor and mental symphony produced by the prepared word usually fade in to the background, eclipsed by the persistent sound and interruptions that permeate our lives. Nevertheless, located within the pages of **Martin Van Buren** a charming literary value filled with raw emotions, lies an immersive symphony waiting to be embraced. Crafted by a masterful composer of language, that interesting masterpiece conducts readers on a mental trip, skillfully unraveling the concealed melodies and profound affect resonating within each cautiously crafted phrase. Within the depths of this poignant analysis, we can discover the book's main harmonies, analyze its enthralling writing design, and surrender ourselves to the profound resonance that echoes in the depths of readers' souls.
