Intergenerational Solidarity in Children's Literature and Film Justyna Deszcz-Tryhubczak,Zoe Jaques,2021-02-01 Winner of the 2023 Edited Book Award from the International Research Society for Children s Literature Contributions by Aneesh Barai Cl mentine Beauvais Justyna Deszcz Tryhubczak Terri Doughty Aneta Dybska Blanka Grzegorzczak Zoe Jaques Vanessa Joosen Maria Nikolajeva Marek Oziewicz Ashley N Reese Malini Roy Sabine Steels Lucy Stone Bj rn Sundmark Michelle Superle Nozomi Uematsu Anastasia Ulanowicz Helma van Lierop Debrauwer and Jean Webb Intergenerational solidarity is a vital element of societal relationships that ensures survival of humanity It connects generations fostering transfer of common values cumulative knowledge experience and culture essential to human development In the face of global aging changing family structures family separations economic insecurity and political trends pitting young and old against each other intergenerational solidarity is now more than ever a pressing need Intergenerational Solidarity in Children s Literature and Film argues that productions for young audiences can stimulate intellectual and emotional connections between generations by representing intergenerational solidarity For example one essayist focuses on Disney films which have shown a long time commitment to variously highlighting and then conservatively healing fissures between generations However Disney Pixar s Up and Coco instead portray intergenerational alliances young collaborating with old the living working alongside the dead as necessary to achieving goals The collection also testifies to the cultural social and political significance of children s culture in the development of generational intelligence and empathy towards age others and positions the field of children s literature studies as a site of intergenerational solidarity opening possibilities for a new socially consequential inquiry into the culture of childhood

Storytelling Magazine ,2003 *School Library Journal* ,2005 *Doing History* Linda S. Levstik,Keith C. Barton,2022-09-06 Now in its sixth edition Doing History offers a unique perspective on teaching and learning history in the elementary and middle grades Through case studies of teachers and students in diverse classrooms and from diverse

backgrounds it shows children engaging in authentic historical investigations often in the context of an integrated social studies curriculum The book is grounded in the view that children can engage in valid forms of historical inquiry asking questions collecting and analyzing evidence examining the varied perspectives and experiences of people in the past and creating evidence based historical accounts and interpretations Grounded in contemporary sociocultural theory and research the text features vignettes in each chapter showing communities of teachers and students doing history in environments rich in literature art writing and discussion The authors explain how these classrooms reflect contemporary principles of teaching and learning and thus the descriptions not only provide specific examples of successful activities but also place them in a context that allows teachers to adapt and apply them in a wide range of settings Doing History emphasizes diversity in two ways Readers encounter students from a variety of backgrounds and see how their diverse experiences can form the foundation for learning and they also see examples of how teachers can engage students with diverse experiences and perspectives in the past including those that led to conflict and oppression The book also discusses principles for working with English learners and newcomers and it provides guidance in using multiple forms of assessment to evaluate the specifically historical aspects of children s learning Updates to this edition include updated historical and instructional examples to ensure currency new suggestions for children s literature to support good teaching expanded attention to teaching about oppressed groups in history and greater attention to when historical perspective taking is and is not appropriate
