Marvelous Arithmetics Of Distance Poems:

The Marvelous Arithmetics of Distance, 1993 **The Marvelous Arithmetics of Distance** Audre Lorde, 1994 **The Marvelous Arithmetics of Distance** Audre Lorde, 1993 A collection of poems explores the themes of love anger family politics sexuality death and the city Of Women, Poetry, and Power Zofia Burr, 2002 The haunting legacy of Emily Dickinson's life and work has shaped a romantic conception of poetry as private personal and expressive that has governed the reception of subsequent American women poets Of Women Poetry and Power demonstrates how the canonization of Dickinson has consolidated limiting assumptions about women's poetry in twentieth century America and models an alternative reading practice that allows for deeper engagement with the political work of modern poetry Analyzing the reception of poems by Josephine Miles Gwendolyn Brooks Audre Lorde and Maya Angelou Zofia Burr shows the persistence of these critical outlooks and dispels the belief that we have long since moved beyond such limiting gendered expectations Turning away from an obsessive concern with a poet's biography Burr's readings of contemporary women's poetry accentuate its engagement and provocation of readers through its forms of address Burr shows how displacing the limits of dominant reception is possible by approaching poetry as communicative utterance not just as self expression

Encyclopedia of American Poetry: The Twentieth Century Eric L. Haralson, 2014-01-21 The Encyclopedia of American Poetry The Twentieth Century contains over 400 entries that treat a broad range of individual poets and poems along with many articles devoted to topics schools or periods of American verse in the century Entries fall into three main categories poet entries which provide biographical and cultural contexts for the author's career entries on individual works which offer closer explication of the most resonant poems in the 20th century canon and topical entries which offer analyses of a given period of literary production school thematically constructed category or other verse tradition that historically has been in dialogue with the poetry of the United States **Articulating The Global And The Local** Ann Cvetkovich, 2018-02-12 This book explores how discourses of the local the particular the everyday and the situated are being transformed by new discourses of globalization and transnationalism as used both by government and business and in critical academic discourse Unlike other studies that have focused on the politics and economics of globalization Articulating the Global and the Local highlights the importance of culture and provides models for a cultural studies that addresses globalization and the dialectic of local and global forces Arguing for the inseparability of global and local analysis the book demonstrates how global forces enter into local situations and how in turn global relations are articulated through local events identities and cultures it includes studies of a wide range of cultural forms including sports poetry pedagogy ecology dance cities and democracy Articulating the Global and the Local makes the ambitious claim that the category of the local transforms the debate about globalization by redefining what counts as global culture Central to the essays are the new global and translocal cultures and identities created by the diasporic processes of colonialism and decolonization The essays explore a variety of local national

and transnational contexts with particular attention to race ethnicity gender and sexuality as categories that force us to rethink globalization itself **Fifty-One Key Feminist Thinkers** Lori J.
