Atlantic Afterlives in Contemporary Fiction S. Ahlberg,2016-04-08 Atlantic Afterlives in Contemporary Fiction offers fresh readings of what has been called transatlantic literature In selected twentieth and twenty first century texts it discovers

a shift from oceanic place based knowledge to an atmospheric placeless circulation of information Consonant with the displacements of the Information Age this book reads contemporary narrative as it imagines and navigates today s virtual spaces An important conclusion of the book is that intellectual resources are finite and should be used sustainably Thus arguing against a conventional comparative approach this book proposes reading practices that resist the tendency toward an oversupply of reworked literary contexts that seems bent on matching the reach of the World Wide Web Instead the book reimagines place as a practice in the way it is communicated and narrated Ultimately this book empowers the reader to reimagine a future for narrative in the Information Age **Miss Meteor** Tehlor Kay Mejia,Anna-Marie

McLemore,2024-04-16 A gorgeous and magical collaboration between two critically acclaimed powerhouse YA authors offers a richly imagined underdog story perfect for fans of Dumplin and Aristotle and Dante Discover the Secrets of the Universe There hasn t been a winner of the Miss Meteor beauty pageant who looks like Lita Perez or Chicky Quintanilla in all its history But that s not the only reason Lita wants to enter the contest or her ex best friend Chicky wants to help her The road to becoming Miss Meteor isn t about being perfect it s about sharing who you are with the world and loving the parts of yourself no one else understands So to pull off the unlikeliest underdog story in pageant history Lita and Chicky are going to have to forget the past and imagine a future where girls like them are more than enough they are everything **Novels**
