## Romantasy Saga Ideas:

**The Series Blueprint** Heather Cardona, 2026-01-06 Plotting a series isn't just plotting one book repeatedly. It's a different creature entirely. If a standalone novel is a sprint, a series is a marathon, one with shifting terrain, expanding casts, escalating stakes, and the constant fear that you've written yourself into a corner. By Book Three, The Series Blueprint is your long-range guide to building a series that actually works from the first book to the final payoff. This isn't a book of rigid formulas or paint-by-numbers outlines. It's a strategic framework for thinking like a series writer, planning with intention, pacing with purpose, and designing stories that grow instead of collapse under their own weight. Inside, you'll learn how to:

Design a series with a clear destination before plot drift takes over.

Choose the right series structure for your genre, audience, and goals.

Build book-level arcs that serve a bigger, long-form story.

Decide between saga, episodic, or hybrid models with confidence.

Track character growth, worldbuilding, and continuity without overwhelming creativity with strategy.

Without killing your spark, finish a series feeling proud instead of burned out.

Whether you're planning your first series halfway through a tangled one or staring at a world that no longer makes sense, The Series Blueprint meets you where you are.

Because a series isn't just multiple books. It's one long story told in deliberate stages. Plot it like one, and your future self will thank you.

Probably with coffee.

*Combustion* Lisa Llamrei, 2025-12-23 When a body turns up in a Toronto drug house burned from the inside out, Detective Bridget Campbell expects a bizarre case just not one involving magic interdimensional cartels and a mysterious investigator who won't show his badge. Moric Ashwood claims to be from a parallel realm where magic and technology collide, and his trail leads straight to Bridget's world. As bodies pile up and tension sparks between them, Bridget must decide if she's chasing a killer or running from the truth about a much darker war.
