2025 Edition Social Media Literacy:

Business and Professional Communication Steven A. Beebe, Timothy P. Mottet, Seth S. Frei, 2026-02-03 Business and Professional Communication Principles and Skills for Leadership focuses on the essential concepts and skills of business and professional communication emphasizing leadership in today's global workplace. The Fourth Edition features updated research and pedagogy including insights on modern technologies like AI, equipping students to meet the communication and leadership challenges of the modern workplace.

The Routledge Companion to Digital Media and Democracy Zizi Papacharissi, 2026-01-28 A comprehensive collection that offers an overview of digital technologies and democratic practice, this Companion explores the topic of digital media and democracy from a historically rich and socio-culturally broad perspective. Edited by one of the foremost leaders in the field, Zizi Papacharissi, this cutting-edge collection outlines the current state of theory and research in the field and maps out trajectories for future scholarship and study. Contributors explore how a variety of digital technologies afford democratic practices, examine different genres of social media, consider networked platforms, contemplate the ways in which platforms are presently morphing into mediascapes of the future, including related issues such as algorithmic bias, data justice, predatory practices online, and the role of AI, as well as other digitally enabled behaviors that often liberate and confine at the same time. Championing global and cross-cultural diversity and complexity throughout, the Companion highlights the lessons learned from the technologies of the past and the challenges presented by contemporary and future technologies, and imagines new democratic practices and digital tropes of participation that may emerge in the future. This book is an essential reading for students and scholars interested in the impact of digital media and technology upon politics and public life.

Advances in Design and Digital Communication V Nuno Martins, Daniel Brandão, 2024-12-23 This book reports on research findings and practical lessons featuring advances in the areas of digital and interaction design, graphic design, and branding design, education, society, and communication in design practice and related ones. Gathering the proceedings of the 8th International Conference on Digital Design and Communication Digicom 2024, held on November 7-9, 2024, as a hybrid event in from Barcelos, Portugal, this book continues the tradition of the previous ones, reporting on new design strategies to foster digital communication within and between the society, institutions, and brands. By highlighting innovative ideas and reporting on multidisciplinary projects, it offers a source of inspiration for designers of all kinds, including graphic and web designers, UI/UX and social media designers, and to researchers, advertisers, artists, and brand and corporate communication managers alike.

Policing the Crowd Clifford Stott, Edward R. Maguire, 2026-02-25 Crowds are among the most visible expressions of democracy, whether in celebration, protest, or tragedy, but they are also moments of tension where rights, safety, and authority collide. This book explores how societies manage these critical encounters. Drawing on dramatic case studies from Britain, Europe, and the United States, it reveals how crowd psychology and policing intersect, why disorder spreads, and how legitimacy can be won or lost in the

space of a single decision Policing the Crowd is the first comprehensive account of how crowd psychology has transformed policing What makes this book distinctive is the depth of its embedded research written from inside the process it offers unmatched insight into how evidence has directly shaped policing practice and policy reform Some of the key features of this book are as follows Traces the history of public order policing from nineteenth century Britain to the English riots of 2011 and the Black Lives Matter protests of 2020 Explains how ideas about crowds evolved from classical theories to the social identity approach Presents how these theories were tested in practice across diverse settings in football stadiums on city streets and in moments of national crisis Provides comparative analysis across the UK the US and Europe Reveals how embedded research partnerships translated theory into practical operational strategies Emphasises legitimacy dialogue and facilitation as critical elements in conflict prevention Combining compelling case studies with theoretical clarity it provides scholars practitioners and policymakers with a powerful framework for understanding and managing one of democracy's greatest challenges

Digital Inequality Anna Gladkova,Elena Vartanova,Shi-xu,2024-12-16 Tracing the development of new technological skills and digital cultures this book looks at the rise of new digital divides and reveals how these inequalities affect cross cultural communication from a cultural discourse studies perspective in various ethnic and cultural groups across the world The authors discuss the development of multicultural societies across the globe under new challenges brought by digitalization such as digital exclusion new professional and personal demands in terms of digital engagement In addition to highlighting digital inequalities in access use and benefits of using ICTs case studies from different national contexts demonstrate the ways minority ethnic and cultural groups are adapting to the new digital environment explore the transformations that multicultural affairs and communication undergo in the new digital setting and analyse policy measures aimed at fostering digital inclusion of minor groups The book advances knowledge of the digital divide showing its development from a technological access and skill based problem into a social and culture oriented one This resourceful text will be of interest to students and scholars of social inequality digital media and communication studies and anyone interested in learning how multicultural discourses are developing in varied national contexts today
