Mexican Marauder:

Mexican Marauder Ramsay Thorne, 1983-01-01 The Problem South Natalie J. Ring, 2012 For most historians the late nineteenth and early twentieth centuries saw the hostilities of the Civil War and the dashed hopes of Reconstruction give way to the nationalizing forces of cultural reunion a process that is said to have downplayed sectional grievances and celebrated racial and industrial harmony In truth says Natalie J Ring this buoyant mythology competed with an equally powerful and far reaching set of representations of the backward Problem South one that shaped and reflected attempts by northern philanthropists southern liberals and federal experts to rehabilitate and reform the country's benighted region Ring rewrites the history of sectional reconciliation and demonstrates how this group used the persuasive language of social science and regionalism to reconcile the paradox of poverty and progress by suggesting that the region was moving through an evolutionary period of readjustment toward a more perfect state of civilization In addition The Problem South contends that the transformation of the region into a mission field and laboratory for social change took place in a transnational moment of reform Ambitious efforts to improve the economic welfare of the southern farmer eradicate such diseases as malaria and hookworm educate the southern populace uplift poor whites and solve the brewing race problem mirrored the colonial problems vexing the architects of empire around the globe It was no coincidence Ring argues that the regulatory state's efforts to solve the southern problem and reformers increasing reliance on social scientific methodology occurred during the height of U S imperial expansion *The Dnr Trilogy* Don W. Hill M.D., 2018-10-17 J D Brewster is a bright medical student whose promising career is teetering on the edge of disaster After the head nurse on the medical surgical unit dies from complications of injuries sustained in a vicious botched carjacking attempt Brewster becomes demoralized Sadly the one person who tried to protect him from the dangerous pitfalls of the arduous clinical clerkship rotations was now gone Forced to abandon his scientific research projects through no fault of his own Brewster finds himself in a no win situation as the pervasive culture of the Gulf Coast College of Medicine and University Hospital is brutal and unforgiving toward medical students As a consequence to unrelenting and dehumanizing emotional abuse Brewster and his colleagues become not only callous and largely indifferent to human suffering but also cruel and fully capable of dispensing retribution when perceived appropriate The occult clinical justice system hidden within the bowels of the university turned out to be much more than just an unsubstantiated rumor whispered amongst the naive medical students and members of the medical staff The system of vigilante law and order has become fully manifest and it is indeed a frightening entity to behold Brewster is now evolving into an avenger who willingly participates in what he believes to be righteously sanctioned punishment dispensed to those who violate the laws that constitute the very fabric of social order In this continuing tale a young student at the Texas Medical Center in Houston is confronted with the intertwining world of healthcare and the dark and evil forces lurking within the encroaching shadows of moral decay **Steam Shovel and Dredge** , 1921 *Billy the Kid on Film, 1911-2012* Johnny
