

# Mexican Americans World War I

**Maggie Rivas-Rodríguez, Emilio  
Zamora**

## **Mexican Americans World War II:**

**Mexican Americans and World War II** Maggie Rivas-Rodriguez, 2005-04-01 A valuable book and the first significant scholarship on Mexican Americans in World War II Up to 750 000 Mexican American men served in World War II earning more Medals of Honor and other decorations in proportion to their numbers than any other ethnic group **World War II and Mexican American Civil Rights** Richard Griswold del Castillo, 2010-01-01 This historical study examines how Mexican American experiences during WWII galvanized the community's struggle for civil rights World War II marked a turning point for Mexican Americans that fundamentally changed their relationship to US society at large The experiences of fighting alongside white Americans in the military as well as working in factory jobs for wages equal to those of Anglo workers made Mexican Americans less willing to tolerate the second class citizenship that had been their lot before the war Having proven their loyalty and Americanness during World War II Mexican Americans began to demand the civil rights they deserved In this book Richard Griswold del Castillo and Richard Steele investigate how the wartime experiences of Mexican Americans helped forge their civil rights consciousness and how the US government responded The authors demonstrate for example that the US government discovered Mexican Americans during World War II and began addressing some of their problems as a way of ensuring their willingness to support the war effort The book concludes with a selection of key essays and historical documents from the World War II period that provide a first person perspective of Mexican American civil rights struggles

*Beyond the Latino World War II Hero* Maggie Rivas-Rodríguez, Emilio Zamora, 2010-01-01 Maggie Rivas Rodríguez's edited volume Mexican Americans World War II brought pivotal stories from the shadows contributing to the growing acknowledgment of Mexican American patriotism as a meaningful force within the Greatest Generation In this latest anthology Rivas Rodríguez and historian Emilio Zamora team up with scholars from various disciplines to add new insights Beyond the Latino World War II Hero focuses on home front issues and government relations delving into new arenas of research and incorporating stirring oral histories These recollections highlight realities such as post traumatic stress disorder and its effects on veterans families as well as Mexican American women of this era whose fighting spirit inspired their daughters to participate in Chicana o activism of the 1960s and 1970s Other topics include the importance of radio as a powerful medium during the war and postwar periods the participation of Mexican nationals in World War II and intergovernmental negotiations involving Mexico and Puerto Rico Addressing the complexity of the Latino war experience such as the tandem between the frontline and the disruption of the agricultural migrant stream on the home front the authors and contributors unite diverse perspectives to harness the rich resources of an invaluable oral history **Among the Valiant** Raul Morin, 2016-11-11 First published in 1963 this book by Raul Morin who served in the 79th Infantry Division of the U S Army was the first book to chronicle in detail the heroics of the Mexican American soldier during World War II and Korea It also provides information about the Chicano Medal of Honor recipients during these wars The book is a tribute to all

American fighting men be they white red black yellow or brown We feel just as proud of the Colin Kellys the Dobbie Millers and the Sadio Munemoris as we are of the Martinez Garcias and Rodriguez      **After the Blessing** Esther Bonilla Read,2022-02-08 This lieutenant gets up there and says American soldiers don t huddle and put their hands in their pockets on a cold day They stand at attention there was a buzz in Spanish Hey they called us Americans Armando Flores Army Air Corps Many Catholic families blessed their children before they left home After the Blessing tells the stories of many young Mexican Americans who left home to fight for their country During the Mexican Revolution 1910 1920 many families fled Mexico to prevent their underage sons from being forced to fight Ironically the offspring of these immigrants often ended up across the ocean in a much larger war Despite the bias and mistreatment most Mexican Americans faced in the US some 500 000 fought bravely for their country during World War II Their stories range from hair raising accounts of the Battle of the Bulge to gut wrenching testimony about cannibalism in the Pacific In After the Blessing Mexican Americans reveal their experiences in combat during WWII stories that have rarely been told      The Impact of the Second World War on Mexican Americans in the Southwest Monique Bre,2007-12 Seminar paper from the year 2004 in the subject American Studies Culture and Applied Geography grade 2 0 Dresden Technical University Institut Amerikanistik course Latinos as in the U S 8 entries in the bibliography language English abstract The United States are a nation of immigrants Mexican Americans are part of this country and make up about thirteen million people of Mexican descent these days This minority group is the second largest ethnic group in the U S Mexican A American M 3 5 Since the U S is a nation of immigrants frictions and conflicts between the different nationalities have never been avoidable in history and will not be in the future Throughout this paper the issue of racism and discrimination will always appear and be discussed because I think this is a burning issue which exists still today in the U S society In this seminar paper I am going to analyze the influence of the Second World War on Mexican Americans in the southwest I chose this topic because the Second World War had an important impact on the people living in the United States and marked a turning point in the lives of the Mexican American population I will focus on Mexican American soldiers and their experiences they gained in the war and after their service Furthermore I am going to examine how Mexican Americans contributed to the war effort and if this had changed anything on their acceptance and acknowledgement among the Anglo society While thousands of Mexican American soldiers were fighting in the war their families back home in the southwest gained different experiences With the help of two incidents that happened during the war years in the southwest of the United States I want to show in what way Mexican Americans had to suffer unjust treatment and prejudice of the white population I will also take into consideration the various changes in the labor force as well as the reactions of Mexican Americans towards discrimination The main source      The impact of the Second World War on Mexican Americans in the Southwest Monique Bre,2005-10-14 Seminar paper from the year 2004 in the subject American Studies Culture and Applied Geography grade 2 0 Dresden Technical University Institut Amerikanistik course Latinos as in

the U S language English abstract The United States are a nation of immigrants Mexican Americans are part of this country and make up about thirteen million people of Mexican descent these days This minority group is the second largest ethnic group in the U S Mexican A American M 3 5 Since the U S is a nation of immigrants frictions and conflicts between the different nationalities have never been avoidable in history and will not be in the future Throughout this paper the issue of racism and discrimination will always appear and be discussed because I think this is a burning issue which exists still today in the U S society In this seminar paper I am going to analyze the influence of the Second World War on Mexican Americans in the southwest I chose this topic because the Second World War had an important impact on the people living in the United States and marked a turning point in the lives of the Mexican American population I will focus on Mexican American soldiers and their experiences they gained in the war and after their service Furthermore I am going to examine how Mexican Americans contributed to the war effort and if this had changed anything on their acceptance and acknowledgement among the Anglo society While thousands of Mexican American soldiers were fighting in the war their families back home in the southwest gained different experiences With the help of two incidents that happened during the war years in the southwest of the United States I want to show in what way Mexican Americans had to suffer unjust treatment and prejudice of the white population I will also take into consideration the various changes in the labor force as well as the reactions of Mexican Americans towards discrimination The main sources of the paper where I based my knowledge on and where I received the information necessary to provide a good overview of the situation during the war years are Meier s and Ribera s books Mexican Americans American Mexicans and Readings on La Raza which offered a detailed and critic description of Mexican Americans living in the United States At the end of this paper the reader should have gained an impression on the difficult times of the war period for Mexican Americans an ethnic minority who always had to fight for acknowledgement and their civil rights World War II and Mexican American Civil Rights Richard Griswold del Castillo, 2010-01-01 This historical study examines how Mexican American experiences during WWII galvanized the community s struggle for civil rights World War II marked a turning point for Mexican Americans that fundamentally changed their relationship to US society at large The experiences of fighting alongside white Americans in the military as well as working in factory jobs for wages equal to those of Anglo workers made Mexican Americans less willing to tolerate the second class citizenship that had been their lot before the war Having proven their loyalty and Americanness during World War II Mexican Americans began to demand the civil rights they deserved In this book Richard Griswold del Castillo and Richard Steele investigate how the wartime experiences of Mexican Americans helped forge their civil rights consciousness and how the US government responded The authors demonstrate for example that the US government discovered Mexican Americans during World War II and began addressing some of their problems as a way of ensuring their willingness to support the war effort The book concludes with a selection of key essays and historical documents from the World War II period that provide a first person perspective of

Mexican American civil rights struggles

### **Mexican-American Veterans, Class, and Identity During and After World**

**War II** Emila A. Lopez, 2015 Although Mexican Americans served in large numbers during World War II for many years they had been left out of the story In recent years as historians have sought to write Mexican Americans back in to the World War II narrative there have been differing opinions on the impact that World War II had on the Mexican American fight for civil rights In order to be able to analyze the influence of World War II on Mexican American civil rights we must specifically look at different spheres of racism Without much influence from the war Mexican American civil rights groups had been fighting for equality in official arenas such as bureaucratic and institutional racism using the legal system before the war and continued to do so afterward The fight against social racism followed a different trajectory Mexican Americans had organized in years before World War II and fought for labor rights and in some cases for social equality Although they were successful in attaining some of their demands this success was more attributable to the need for their services than it was to changing perceptions about Mexican Americans World War II was incredibly important to the Mexican American fight against social inequality because the combination of the renewed hope and demands for equality on the part of returning Mexican American veterans combined with the patriotic climate of World War II created an environment in which Mexican American veterans could demand equality based off of the veteran status **Among the Valiant** Raul Morin, 2002 *Forgotten Patriots*, 2007

**Patriots from the Barrio** Dave Gutierrez, 2018 As a child Dave Gutierrez hung on every word his father recalled about his cousin Ramon El Sancudo the mosquito and his service in World War II where he earned a Silver Star three Purple Hearts and escaped from the Germans twice Later Dave decided to find out more about his father's cousin and in the course of his research he discovered that Ramon Gutierrez was a member of Company E 141st Infantry a part of the 36th Texas Division that was comprised entirely of Mexican Americans the only such unit in the entire U S Army The division landed at Salerno Italy in 1943 among first American soldiers to set foot in Europe In the ensuing months Company E and the rest of the 36th would battle their way up the mountainous Italian peninsula against some of Nazi Germany's best troops In addition to the merciless rain mud and jagged peaks swift cold rivers crisscrossed the region including the Rapido where Company E would face its greatest challenge In an infamous episode the 36th Division was ordered to cross the Rapido despite reports that the opposite bank was heavily defended In the ensuing debacle the division was ripped apart and Company E sustained appalling casualties The company rebounded and made the storied landings at Anzio and ultimately invaded southern France for a final push into Germany The men of Company E distinguished themselves as rugged fighters capable of warring amid the rubble of destroyed villages and in the devastated countryside Based on extensive archival research and veteran and family accounts *Patriots from the Barrio* The Story of Company E 141st Infantry The Only All Mexican American Army Unit in World War II brings to life the soldiers whose service should never have gone unrecognized for so long With its memorable personalities stories of hope and immigration and riveting battle scenes this beautifully

written book is a testament to the shared beliefs of all who have fought for the ideals of the American flag      **Leaders of the Mexican American Generation** Anthony Quiroz, 2015-09-01 *Leaders of the Mexican American Generation* explores the lives of a wide range of influential members of the US Mexican American community between 1920 and 1965 who paved the way for major changes in their social political and economic status within the United States Including feminist Alice Dickerson Montemayor to San Antonio attorney Gus Garc a and labor activist and scholar Ernesto Galarza the subjects of these biographies include some of the most prominent idealists and actors of the time Whether debating in a court of law writing for a major newspaper producing reports for governmental agencies organizing workers holding public office or otherwise shaping space for the Mexican American identity in the United States these subjects embody the core values and diversity of their generation More than a chronicle of personalities who left their mark on Mexican American history *Leaders of the Mexican American Generation* cements these individuals as major players in the history of activism and civil rights in the United States It is a rich collection of historical biographies that will enlighten and enliven our understanding of Mexican American history      *The Role and Experiences of Hispanic Soldiers During the World War II Era* Debra L. Fix, 1993 This study examines the role and experiences of the United States Army Hispanic soldier during the World War II era Historians have largely overlooked the participation of Hispanic soldiers in recording the history of the nation s major wars in particular World War II WW II This study focuses on Hispanic contributions to the nation s defense from the American Revolution up to World War II the roles and contributions of Hispanic supporters on the home front in the communities and the war industries and the personal experiences of two Hispanic World War II veterans one male and one female soldier This study reinforced that Hispanic Americans are an amalgamation of diverse ethnic heritages bound together by a common culture and language Hispanic Americans include Mexican Americans Puerto Ricans Cuban Americans and Central and South Americans They are all American citizens however their contributions to military history are largely undocumented and unknown to most Americans The study concludes that because Hispanics largely served in integrated units they did not face overt discrimination There were no institutional limitations to their service They contributed honorably on the home front and in the service of their country Their smooth assimilation into the service contributed to a lack of focus and attention to their contributions and experience as a separate and unique ethnic group      *Ethnic and Racial Minorities in the U.S. Military* Alexander M. Bielakowski, 2013-01-11 This encyclopedia details the participation of individual ethnic and racial minority groups throughout U S military history *Ethnic and Racial Minorities in the U S Military* An Encyclopedia is unique in its coverage of nearly all major ethnic and racial minority groups as opposed to reference works that have focused only on individual ethnic or racial minority groups It acknowledges the military contributions of African Americans Asian Americans French Americans German Americans Hispanic Americans Irish Americans Jewish Americans and Native Americans This timely work highlights the individuals and events that have shaped the experience of minorities in U S conflicts The work

provides a comprehensive encyclopedia covering the role of all major ethnic and racial minorities in the United States during wartime. Additionally, it considers how the integration of servicemen in the U.S. military set the precedent for the eventual desegregation of America's civilian population.      **Undaunted Courage** Frederick P. Aguirre, Linda Martinez

Aguirre, Rogelio C. Rodriguez, 2005      **From Coveralls to Zoot Suits** Elizabeth Rachel Escobedo, 2013 *From Coveralls to Zoot Suits: The Lives of Mexican American Women on the World War II Home Front*      *Patriots from the Barrio* Dave Gutierrez, 2014      **Mexican Americans** Joan W. Moore, Harry Pachon, 1976      [The Mexican American Family Album](#)

Dorothy Hoobler, Thomas Hoobler, 1994. Provides a look at the experiences of Mexican immigrants relating stories of their arrival in the United States and their integration into a new society.
