Grandma's Guide to Gluten Free Cooking Barbara Wells, 2007 My story begins about 4 years ago when my grandson Brandon was restricted to a diet free of gluten, wheat, eggs, dairy, and peanuts. I was totally bewildered. How could I possibly cook properly for him and his family? I only remember once that I wept in my kitchen pantry out of frustration, but many times I felt that inadequate. Brandon's mom gave me a couple of recipes which I prepared on every visit. I also had a house rule that no one was allowed to eat forbidden foods in his presence. I felt that I was doing all that I could until one innocent remark changed my life. We were in a grocery store and Brandon took my hand, led me to a display, and said longingly, "Look, Nana, those are called muffins." It brought tears to my eyes and I vowed to myself that I would learn to cook delicious foods gluten, wheat, dairy, egg, and peanut free. It has been a journey of trial and error. I cannot tell you that I have successes every time, but imagination and persistence has paid off. I have felt led to write this book and it is my wish that it will help your family as much as it has helped mine. Barbara Wells
