**Frederick Albion Ober**

## **Mexico And Mexicans:**

*Mexico and Mexicans in the Making of the United States* John Tutino, 2012-05-15 Mexico and Mexicans have been involved in every aspect of making the United States from colonial times until the present. Yet our shared history is a largely untold story eclipsed by headlines about illegal immigration and the drug war. Placing Mexicans and Mexico in the center of American history this volume elucidates how economic social and cultural legacies grounded in colonial New Spain shaped both Mexico and the United States as well as how Mexican Americans have constructively participated in North American ways of production politics social relations and cultural understandings. Combining historical sociological and cultural perspectives the contributors to this volume explore the following topics the Hispanic foundations of North American capitalism indigenous peoples actions and adaptations to living between Mexico and the United States U S literary constructions of a Mexican other during the U S Mexican War and the Civil War the Mexican cotton trade which helped sustain the Confederacy during the Civil War the transformation of the Arizona borderlands from a multiethnic Mexican frontier into an industrializing place of whites and Mexicans the early twentieth century roles of indigenous Mexicans in organizing to demand rights for all workers the rise of Mexican Americans to claim middle class lives during and after World War II and the persistence of a Mexican tradition of racial ethnic mixing mestizaje as an alternative to the racial polarities so long at the center of American life

*Mexico and Her People of To-day* Nevin O. Winter, 2020-01-09 In Mexico and Her People of To day Nevin O Winter offers a meticulously crafted exploration of Mexico s cultural social and political landscapes during the early 20th century. The book is characterized by its vivid descriptive style which employs both narrative storytelling and observational analysis to illuminate the complexities of Mexican society in a post Revolution era. Winter s work intertwines sociological insights with a rich tapestry of personal anecdotes allowing readers a profound understanding of the everyday lives of Mexicans their customs and the international influences reshaping their identities. Nevin O Winter was not only a keen observer of cultural dynamics but also engaged deeply with Mexico during a vital transformative period. His extensive travels throughout the country and interactions with its people informed his perspectives and narrative. As a writer and journalist Winter s empathy towards the subjects he depicted shines through his prose reflecting a genuine interest in social justice and the vibrancy of Mexican life which starkly contrasts with the often stereotypical portrayals of the era. This book is an essential read for scholars of Latin American studies history and anthropology as well as for anyone interested in the intricate narratives that define a nation. Winter s engaging style and thorough research create an immersive experience for readers making it a significant contribution to the understanding of Mexico s multifaceted identity.

**Mexicans in the Making of America** Neil Foley, 2014-10-06 A Choice Outstanding Academic Title of the Year

According to census projections by 2050 nearly one in three U S residents will be Latino and the overwhelming majority of these will be of Mexican descent. This dramatic demographic shift is reshaping politics culture and fundamental ideas about

American identity Neil Foley a leading Mexican American historian offers a sweeping view of the evolution of Mexican America from a colonial outpost on Mexico's northern frontier to a twenty first century people integral to the nation they have helped build Compelling Readers of all political persuasions will find Foley's intensively researched well documented scholarly work an instructive thoroughly accessible guide to the ramifications of immigration policy Publishers Weekly For Americans long accustomed to understanding the country's development as an east to west phenomenon Foley's singular service is to urge us to tilt the map south to north and to comprehend conditions as they have been for some time and will likely be for the foreseeable future A timely look at and appreciation of a fast growing demographic destined to play an increasingly important role in our history Kirkus Reviews **Mexico of the Mexicans** Lewis Spence,1917 **Mexicans in the Midwest, 1900-1932** Juan R. García,1996 Early in this century a few Mexican migrants began streaming northward into the Midwest but by 1914 in response to the war in Europe and a booming U.S. economy the stream had become a flood Barely a generation later this so called Immigrant Generation of Mexicans was displaced and returned to the U.S. Southwest or to Mexico Drawing on both published works and archival materials this new study considers the many factors that affected the process of immigration as well as the development of communities in the region These include the internal forces of religion ethnic identity and a sense of nationalism as well as external influences such as economic factors discrimination and the vagaries of U.S.-Mexico relations Here is a book that persuasively challenges many prevailing assumptions about Mexican people and the communities they established in the Midwest The author notes the commonalities and differences between Mexicans in that region and their compadres who settled elsewhere He further demonstrates that although Mexicans in the Midwest maintained a strong sense of cultural identity they were quick to adopt the consumer culture and other elements of U.S. life that met their needs Focusing on a people place and time rarely covered before now this wide ranging work will be welcomed by scholars and students of history sociology and Chicano studies General readers interested in ethnic issues and the multicultural fabric of American society will find here a window to the past as well as new perspectives for understanding the present and the future **Travels in Mexico and Life Among the Mexicans** Frederick Albion Ober,1887 **Between Two Worlds** David G. Gutiérrez,1996-04 Although immigrants enter the United States from virtually every nation Mexico has long been identified in the public imagination as one of the primary sources of the economic social and political problems associated with mass migration Between Two Worlds explores the controversial issues surrounding the influx of Mexicans to America The eleven essays in this anthology provide an overview of some of the most important interpretations of the historical and contemporary dimensions of the Mexican diaspora **Distant Neighbors** Alan Riding,2011-07-06 A study of Mexico political social cultural economic by a journalist who was for the past 6 years the NYT bureau chief in Mexico City With portraits of Mexico's top leaders about a nation whose stability is vital to our national well being **Mexico, Mexicans, and Mexican-Americans in U.S.-Mexican Relations** Rodolfo O. De la Garza,1989 **Forgotten People**

George Isidore Sánchez, 1996 Published originally in 1940 *Forgotten People* is a classic of Depression era social protest scholarship Directly challenging Turnerian frontier history Sanchez argues that conquest marginalization and impoverishment have dominated the history of Spanish speaking New Mexicans since the Mexican American War Ninety years of social and economic marginalization defined Mexican Americans as a distinct indigenous group Anglo educational systems culturally discriminated against Spanish speaking children while federal and state land policy economically strangled New Mexican families Focusing his study on Taos County New Mexico during 1938 and 1939 Sanchez holds that the federal government should recognize the unique history and place of Spanish speaking citizens in the Southwest and create educational and economic programs to empower and acculturate them

**Mexico and the Mexicans, or, Notes of travel in the winter and spring of 1883** Howard Conkling, 1883

*The Mexicans* Patrick Oster, 2009-06-23 The Mexicans is a multifaceted portrait of our complex increasingly turbulent neighbor to the south It is the compelling story of a country in crisis as told by a diverse group of individuals Author Patrick Oster profiles Mexicans from all over the country from the honest cop who describes the ways in which Mexican police use torture solve crimes to the newspaper editor who talks about the omnipresent threat of kidnapping to the homosexual teacher wary of bigotry in a land of machismo The people profiled in The Mexicans reveal something vital about Mexico and in doing so help students understand why so many decide to risk their lives in order to have the opportunity to live in the United States Patrick Oster whose reporting from Mexico has won awards from the Overseas Press Club and the Inter American Press Association was Mexico City bureau chief for Knight Ridder Newspapers He is currently the editor in chief of the National Law Journal He lives with his wife and son in Croton on Hudson New York This reviewer knows of no finer book on Mexico for the general reader than Oster's He shows what makes Mexicans tick San Diego Union

*Anahuac : or, Mexico and the Mexicans, Ancient and Modern* Edward B. Tylor, 2022-05-29

In *Anahuac* or Mexico and the Mexicans Ancient and Modern Edward B Tylor presents a comprehensive exploration of the cultural historical and social tapestry of Mexico from ancient times to his contemporary era This seminal work rich in its ethnographic detail and informed by Tylor's anthropological perspective blends vivid descriptions with scholarly analysis thereby situating Mexico at the crossroads of civilization Tylor's literary style is marked by an intricate balance of objective observation and passionate narrative offering readers a deeper understanding of the complexities embedded in Mexican identity through both its pre Columbian heritage and modern transformations Edward B Tylor a pivotal figure in the emergence of anthropology as a discipline was profoundly influenced by his travels and academic pursuits His rigorous studies of cultural evolution and social customs undoubtedly shaped his interest in Mexico a nation he perceived as a rich case study of human development and adaptation Tylor's commitment to elevating the understanding of non Western cultures reflects in his thorough analysis of Mexican life making his observations resonate with broader theories of culture that would impact anthropological thought For those interested in the interplay between tradition and modernity *Anahuac* is

an essential read that sheds light on the rich cultural heritage of Mexico Tylor's pioneering insights invite readers to engage with Mexico's past and present making it a valuable resource for scholars and enthusiasts alike who wish to delve deeper into the dynamic identity of a fascinating country

**Manana Forever?** Jorge G. Castañeda, 2012-04-17

In this shrewd and fascinating book the renowned scholar and former foreign minister Jorge Castañeda sheds much light on the puzzling paradoxes of politics and culture of modern Mexico. Here's a nation of 110 million that has an ambivalent and complicated relationship with the United States yet is host to more American expatriates than any country in the world. Its people tend to resent foreigners yet have made the nation a hugely popular tourist destination. Mexican individualism and individual ties to the land reflect a desire to conserve the past and slow the route to uncertain modernity. Castañeda examines the future possibilities for Mexico as it becomes more diverse in its regional identities, socially more homogenous, its character and culture the instruments of change rather than sources of stagnation, its political system more open and democratic.

**Manana Forever?** is a compelling portrait of a nation at a crossroads

**Culture of Empire**

Gilbert G. González, 2004-01-01

A history of the Chicano community cannot be complete without taking into account the United States domination of the Mexican economy beginning in the late nineteenth and early twentieth centuries. writes Gilbert G. González. For that economic conquest inspired U.S. writers to create a culture of empire that legitimated American dominance by portraying Mexicans and Mexican immigrants as childlike peons in need of foreign tutelage incapable of modernizing without Americanizing that is submitting to the control of U.S. capital. So powerful was and is the culture of empire that its messages about Mexicans shaped U.S. public policy particularly in education throughout the twentieth century and even into the twenty-first. In this stimulating history Gilbert G. González traces the development of the culture of empire and its effects on U.S. attitudes and policies toward Mexican immigrants. Following a discussion of the United States economic conquest of the Mexican economy González examines several hundred pieces of writing by American missionaries, diplomats, business people, journalists, academics, travelers, and others who together created the stereotype of the Mexican peon and the perception of a Mexican problem. He then fully and insightfully discusses how this misinformation has shaped decades of U.S. public policy toward Mexican immigrants and the Chicano now Latino community especially in terms of the way university training of school superintendents, teachers, and counselors drew on this literature in forming the educational practices that have long been applied to the Mexican immigrant community

**Mexico and the Mexicans**

Howard Conkling, 2015-06-25

Excerpt from **Mexico and the Mexicans** Or Notes of Travel in the Winter and Spring Among the most vivid and cherished memories of my childhood are the descriptions which my grandfather after his return from his mission as Minister to Mexico was accustomed to give of that land of mystery and romance. What especially dazzled my imagination was the picture he drew of that world renowned landmark of the navigator the snow capped peak of Orizaba which as the war steamer that bore him to his destination neared the Mexican coast stood out like a gigantic spectre against the clear blue sky.

*Mexico of the Mexicans* Lewis Spence, 2015-06-24 Excerpt from *Mexico of the Mexicans* The thunders of the titanic struggle which at present convulses Europe have drowned the echoes of strife which come from far away Mexico and in the eyes of many the warring of the factions in the American Republic will seem very like the battle of the mice and the frogs Yet we who are sacrificing everything for an ideal should feel a lively sympathy with the Mexican people for when all is said they too are fighting for idealistic reasons for the possession and free exercise of that liberty towards which the spirit of man in all climes and ages has so painfully yet so persistently aspired In these islands the agonies through which Mexico is passing are too frequently regarded as a mere collision of brigands the scufflings of disputatious robber factions who are equally desirous of rule because of the possibilities it holds for exaction and looting By holding such a view we do the people of Mexico a great wrong and its expression is unquestionably due to ignorance of the true condition of things in the Republic The Author sincerely hopes that this volume will clear away some of the mists which surround Mexico at the present time But he has experienced the utmost difficulty in obtaining news of recent events from the Republic because of the prohibition placed upon correspondence He feels however that he has in a measure overcome this by the piecing together of matter from sundry reliable sources and hopes that he has been enabled to present his readers with a truthful account of things as they are at the present day in a land the mighty destinies of which he devoutly and hopefully believes in About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. ## **Mexico And Mexicans Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Mexico And Mexicans PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers

individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Mexico And Mexicans PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Mexico And Mexicans free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About Mexico And Mexicans Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What are the advantages of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Mexico And Mexicans is one of the best books in our library for free trial. We provide a copy of Mexico And Mexicans in digital format, so the resources that you find are reliable. There are also many eBooks related to Mexico And Mexicans. Where to download Mexico And Mexicans online for free? Are you looking for Mexico And Mexicans PDF? This is definitely going to save you time and cash in something you should think about.
