Mission To Pakistan An Intelligence Agent In Pakistan:

Mission , Mission to Pakistan Maloy Krishna Dhar,2002 About The Book Mission Maloy Krishna Dhar,2004-01-01 MISSION PAKISTAN is not just another spy thriller Written by someone with over three decades of experience in counter intelligence and counter terrorism it offers unprecedented insights into this shadowy world as it relates to the Indian subcontinent At the same time it is the story of tender and cruel social and geopolitical values that have been woven around the life and times of an Indian intelligence agent Based loosely on real historical events and people Mission Pakistan takes the reader back to the tumultuous decade from the mid sixties to the early seventies when India and Pakistan fought two wars within six years Mission Pakistan brings to focus not only the nature of this largely unseen intelligence war that takes place in the shadows but also the impact the underlying fault lines and internal security gangrene have on those affected

Pakistan's Inter-Services Intelligence Directorate Owen L. Sirrs,2016-07-01 This book is the first comprehensive study of Pakistan s Inter Services Intelligence Directorate ISI The rise of Pakistan backed religious extremist groups in Afghanistan India and Central Asia has focused international attention on Pakistan s premier intelligence organization and covert action advocate the Inter Services Intelligence Directorate or ISI While ISI is regarded as one of the most powerful government agencies in Pakistan today surprisingly little has been written about it from an academic perspective This book addresses critical gaps in our understanding of this agency including its domestic security mission covert backing of the Afghan Taliban and its links to al Qa ida Using primary source materials including declassified intelligence and diplomatic reporting press reports and memoirs this book explores how ISI was transformed from a small negligible counter intelligence outfit of the late 1940s into the national security behemoth of today with extensive responsibilities in domestic security political interference and covert action This study concludes that reforming or even eliminating ISI will be fundamental if Pakistan is to successfully transition from an army run national security state to a stable democratic society that enjoys peaceful relations with its neighbours This book will be of interest to students of intelligence studies South Asian politics foreign policy and international security in general *Pakistan Intelligence, Security Activities and Operations Handbook - Strategic Information and Developments* IBP, Inc.,2013-08 Pakistan Intelligence Security Activities Operations Handbook
