**Michael Jackson, Superstar** Patricia C. McKissack, 1984-10-01 A biography of the wildly popular rock musician who is painfully shy in his private life      Michael Jackson superstar Christopher P. Andersen, 1996      Superstar Michael Jackson Mary J. Edrei, 1984      Michael Jackson life of a superstar, 2009      Michael Jackson Rocked the World and Lives Forever Jel Jones, 2010-04-21 Michael Jackson Rocked the World and Lives Forever is an honorable compilation and a rare collectible that is a true tribute to the life and career of Michael Jackson the world's most proficient entertainer that ever set foot on a stage. He was a masterful entertainer prominent all over the world. This volume is a glimpse through the window at some of his brilliance. It considerably peels back all the layers of his genius career and allows the reader to take a breathtaking look inside of the magnificent world that shined for him during his tenure. This book is written reverentially and is conceivably the most positive respectable reference on the market about the superstar. While covering his life and career it also allows the reader to walk with the superstar through the darkest storms of his journey and witness firsthand his will to stand. Michael Jackson never gave up or took himself out of the ring no matter how devastating the blow. The pain that injured his soul and found a home inside of his heart never altered his goal to strive for excellence at all costs to bring nothing but perfection to his performance to showcase to the world. This is his legacy for the world.      **Jet**, 1984-05-28 The weekly source of African American political and entertainment news      **Who was Michael Jackson?** Megan Stine, 2015 Describes the life and accomplishments of the superstar singer from his early career with the Jackson Five to his success as a solo performer and his personal troubles      *The Story of Michael Jackson* Chris Roberts, 2018      *Was Michael Jackson Framed?* Mary A. Fischer, 2012-10-04 This is it. The original GQ story that became an international sensation by exploring for the first time in the media the other side the defense side of the 1993 Michael Jackson scandal. Today it remains a sought after story by the superstar's fans around the world. Until now the original unedited version of the GQ article has not been available. Now two years after Michael Jackson's death in the midst of a resurgence of his music and popularity the official GQ story is being released with a new cover and foreword written by the author award winning journalist Mary A Fischer. As the media rushed to judgment about the 93 allegations that Jackson had molested a 13 year old boy no one bothered to look in depth at Jackson's adult accusers. GQ senior writer Mary A Fischer known for investigating controversial under reported stories took on the assignment. She spent months delving into the backgrounds of Evan Chandler and his attorney Barry K Rothman. Jackson's main accusers. What emerged from Fischer's examination based on court documents business records and scores of interviews some with confidential sources who would only meet in out of the way places was a persuasive argument that Jackson molested no one and that he himself may have been the victim of a well conceived plan to extract money from him.

More than that it was a classic story of greed ambition misconceptions on the part of police and prosecutors a lazy and sensation seeking media and the use of a powerful hypnotic drug Today it remains an important relevant story about how a case was simply invented And now for the first time in over a decade it is available to Michael Jackson fans everywhere
