**Who Decides?** Nina Namaste, Marta Nadales, 2018-03-12 How is the meaning of food created, communicated and continually transformed? How are food practices defined, shaped, delineated, constructed, modified, resisted and reinvented by whom and for whom? These are but a few of the questions *Who Decides: Competing Narratives in Constructing Tastes* Consumption and Choice explores. Part I Taste Authenticity Identity explicitly centres on the connection between food and identity construction. Part II Food Discourses focuses on how food-related language shapes perceptions that in turn construct particular behaviours that in turn demonstrate underlying value systems. Thus as a collection this volume explores how tastes are shaped, formed, delineated and acted upon by normalising socio-cultural processes and in some instances how those very processes are actively resisted and renegotiated. *Soup's On!* Leslie Jonath, 2007-09-20 Nothing feeds the body and soothes the soul like a bowl of steaming hot soup. Soup is the most versatile of dishes. It can be prepared year round with all kinds of ingredients from supermarket beans to farmers market greens turning up on modest dinner tables and in fancy dining rooms around the world. Whether you prefer a steaming bowl of chicken soup, spicy beef stew or creamy tomato soup, each heartwarming spoonful crosses economic lines and ethnic flavors. It enlivens, takes us back to our mothers' kitchens and heals the common cold. *Soup's On!* includes tempting and delicious recipes from some of the world's most respected chefs, cookbook authors and cooking teachers including Marion Cunningham, Judy Rodgers, Carol Field, Jacques P pin, Charlie Trotter, Madhur Jaffrey and Alice Waters. Here you'll find creamy vegetable soups, rib sticking bean, meat, chicken and seafood soups and hearty stews for every occasion. From Diane Morgan's summer favorite Salmon and Corn Chowder and Roland Passot's classic Coq au Vin to Bruce Aidells' Chicken and Andouille Gumbo and Suzanne Goin's flavorful Chilled Red Pepper Soup, you'll find the perfect soup or stew all year long. And the best part: A portion of the proceeds will go to NextCourse, a nonprofit organization that promotes sustainable food in public institutions including the Community Education Program which works with women in the San Francisco County Jail and with child care providers and the Food from the Parks program which collaborates with state and national park services to increase the amount of locally produced food available to park visitors. So grab your spoon and a copy of *Soup's On!* and know that as you nourish yourself, you'll be feeding others as well. Taken from front cover flap
