Michael Manley The Making Of A Leader:

Michael Manley Darrell E. Levi,1989 *The Influence of Small States on Superpowers* Richard L. Bernal,2015-07-22

The conventional wisdom is that small developing countries exert limited if any influence on the foreign policy of superpowers in particular the United States This book challenges that premise based on the experience of the small developing country of Jamaica and its relations with the United States It raises the question if the foreign policy of the United States can be influenced by even a small developing country should Washington be worried Notable Caribbeans and Caribbean Americans Serafin Méndez-Méndez,Gail Cueto,2003-07-30 This is the first major biographical dictionary devoted exclusively to celebrating Caribbeans and Caribbean Americans who have made significant contributions to their society and beyond More than 160 profiles feature historical and contemporary figures from every Caribbean island the United States and even England and Canada and from a diverse range of fields such as acting sports political activism and more Selection criteria included the notable demonstration of a Caribbean ethos or style combined with a lasting and novel impact Individual narrative entries discuss family background education challenges and achievements The breadth of coverage in Notable Caribbeans and Caribbean Americans will enlighten and inspire students and general readers alike Many lesser known role models such as labor activist and educator Antonia Pantoja and political philosopher Frantz Fanon are presented along with engaging portraits of better known personalities like reggae superstar Bob Marley and baseball great Sammy Sosa Bibliographical sources for further research complement each entry A wide selection of photographs accompanies the text

Encyclopedia of Contemporary Latin American and Caribbean Cultures Daniel Balderston,Mike Gonzalez,Ana M. Lopez,2000-12-07 This vast three volume Encyclopedia offers more than 4000 entries on all aspects of the dynamic and exciting contemporary cultures of Latin America and the Caribbean Its coverage is unparalleled with more than 40 regions discussed and a time span of 1920 to the present day Culture is broadly defined to include food sport religion television transport alongside architecture dance film literature music and sculpture The international team of contributors include many who are based in Latin America and the Caribbean making this the most essential authoritative and authentic Encyclopedia for anyone studying Latin American and Caribbean studies Key features include over 4000 entries ranging from extensive overview entries which provide context for general issues to shorter factual or biographical pieces articles followed by bibliographic references which offer a starting point for further research extensive cross referencing and thematic and regional contents lists direct users to relevant articles and help map a route through the entries a comprehensive index provides further guidance **Mayer Matalon** Diana Thorburn,2019-07-09 This biography of Mayer Matalon an influential Jewish Jamaican traces his path from humble origins to innovator public servant political insider and leader of his family s conglomerate from the 1940s to the end of the twentieth century Mayer Matalon was not born into the Jewish Jamaican elite who traced their ancestry in Jamaica back hundreds of years and who were successful entrepreneurs prominent intellectuals

and politicians Mayer Matalon's father Joseph was one of a handful of Jews who came to Jamaica in the wave of turn of the century Levantine emigration and his mother Florizel Madge Matalon was a young beautiful poor Jewish Jamaican girl. A failed businessman Joseph's legacy was eleven children who created their own legacy in Jamaican business and politics. The Matalon siblings built a conglomerate venturing into businesses and experimenting with business models that had never been tried in Jamaica, enjoying success for the first twenty years, struggling to retain viability for the next twenty years, and fighting to keep the family together throughout. Matalon rose to wealth and prominence through his talent for numbers, his innovative ideas, and his extraordinary emotional intelligence. He was one of Prime Minister Michael Manley's closest confidantes in and out of power and he advised every Jamaican premier and prime minister from Norman Manley to Bruce Golding, with only one exception. That one exception resulted in a sidelining that had a blowback that set Jamaica back decades and that sealed his family's business's fate. This is a story of race, class, and power in postcolonial Jamaica. Through the lens of Mayer Matalon's life, the book outlines Jamaica's political and economic trajectory over the sixty years before and after independence. This biography peels back the surface layers of the many citations and public accolades and goes beyond the often uninformed speculation on the Matalons' beginnings, revealing in rich detail the unusual life of an extraordinary Jamaican.

Edward Seaga and the Challenges of Modern Jamaica Patrick E. Bryan, 2009 A biography of Edward Philip George Seaga, retired prime minister of Jamaica 1980-1989 and former leader of the Jamaica Labour Party 1974-2005. It examines Seaga in light of the 20th century history of Jamaica, which experienced the challenges of race, colour, the transition from the British colonial period to independence in 1962.

Narratives of Resistance Brian Meeks, 2000 This is a hard hitting analysis of contemporary social, political, and intellectual resistance to hegemony in Caribbean societies. Beginning with the obscure Henry Rebellion in 1960 at the very end of colonial rule and ending with a look at the Caribbean Left at the end of the twentieth century, Meeks shows how popular resistance to domination has been manifested in Jamaica and Trinidad. He concludes that for the small island states and mainland territories of the Caribbean, despite the social and economic crises of the recent past, there is still the possibility of social and political revival and popular renewal.
