Parkinson, 2018-11-15 One of the most famous footballers of all time George Best is an icon to football fans all over the world He lived a tumultuous life and died in 2005 after battling with alcoholism He is someone who has crossed over into legend status with his personal life sometimes overshadowing his footballing prowess There have been many books written about George but here Michael Parkinson combines his professional and personal knowledge of George with his classic and much loved writing style to produce a new and interesting biography of a football and cultural icon **The Football Man** Arthur

Hopcraft, 2013-08-01 Football matters as poetry does to some people and alcohol does to others Football is inherent in the people There is more eccentricity in deliberately disregarding it than in devoting a life to it The way we play the game organize it and reward it reflects the kind of community we are Written just two years after England's 66 triumph when the national game was at its zenith Arthur Hopcraft's *The Football Man* is repeatedly quoted as the best book ever written about the sport This definitive magisterial study of football and society profiles includes interviews with all time greats like Bobby Charlton George Best Alf Ramsay Stanley Matthews Matt Busby and Nat Lofthouse It is a snapshot of a pivotal era in sporting history changes and decisions were made in the sixties that would create the game we know today For many who are disenchanted with the modern game the grip of businesses and corporations the dominance of advertising the extortionate ticket prices and inaccessible matches the fickleness of teenage millionaires *The Football Man* takes the reader back to the heart and soul of the national game when pitches were muddy and the players were footballers not brands Voted in May 2005 as one of Observer's top sports books of all time this is a long awaited reissue of the classic football bible Masterpiece among sports books Guardian It remains one of my favourite football reads Graham Taylor *Football*
