## Mi Reina:

**The Hotel Intrepid** Leo Peterson,2024-05-18 Astrid Sinclair has always been the peacemaker who never rocked the boat and after nearly thirty years of living a lie she finds herself alone trying to piece her life back together again Ty Machesney is rich bold and adventurous He sweeps Astrid off her feet when her old world finally comes crumbling down around her It seems as if he and his friends are all cut from the same bolt of cloth but they have secrets Should Astrid trust Ty or rely on her family and friends to pick up the pieces of her shattered life With the city of Atlanta as the background where opulence and prestige are currency human trafficking seems to be the unspoken article of trade How will Astrid navigate her future where everyone seems to be in it for themselves and where decisions are made based on social mobility and politics
