*Dance Between Two Cultures* William Luis, 2001 Offers insights on Latino Caribbean writers born or raised in the United States who are at the vanguard of a literary movement that has captured both critical and popular interest In this groundbreaking study William Luis analyzes the most salient and representative narrative and poetic works of the newest literary movement to emerge in Spanish American and U S literatures The book is divided into three sections each focused on representative Puerto Rican American Cuban American and Dominican American authors Luis traces the writers origins and influences from the nineteenth century to the present focusing especially on the contemporary works of Oscar Hijuelos Julia Alvarez Cristina Garcia and Piri Thomas among others While engaging in close readings of the

texts Luis places them in a broader social historical political and racial perspective to expose the tension between text and context As a group Latino Caribbeans write an ethnic literature in English that is born of their struggle to forge an identity separate from both the influences of their parents culture and those of the United States For these writers their parents country of origin is a distant memory They have developed a culture of resistance and a language that mediates between their parents identity and the culture that they themselves live in Latino Caribbeans are engaged in a metaphorical dance with Anglo Americans as the dominant culture Just as that dance represents a coming together of separate influences to make a unique art form so do both Hispanic and North American cultures combine to bring a new literature into being This new body of literature helps us to understand not only the adjustments Latino Caribbean cultures have had to make within the larger U S environment but also how the dominant culture has been affected by their presence *Bilingual Blues* Gustavo Pérez Firmat,1995 Gustavo Perez examines relationships sex and Cuban American life in this collection of accessible poems He handles both Spanish and English with seamless assurance Gustavo Perez Firmat was born in Havana Cuba and raised in Miami Floria **Bilingual Education and Social Change** Rebecca Diane Freeman,1998 A general introduction to bilingualism bilingual education and minority education in the United States and an ethnographic discourse analytic study of how one successful dual language programme challenges mainstream US educational programmes that discriminate against minority students and the languages they speak Implications for research practice and practice in other school and community contexts are emphasized Resources in Education ,1979 **Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954** ,2003 **Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1986** ,2003 *Compendium of Research on Bilingual Education* ,1995 **Migration and Social Cohesion** Steven Vertovec,1999 Written for postgraduate students and professionals Migration and Social Cohesion explores the relationship between these two phenomena and in so doing demonstrates that immigrants generally contribute to rather than detract from their adopted homelands International Journal of the Sociology of Language ,1988 *Hispanic Resource Directory* ,1996 **Directory of Two-way Bilingual Programs in the United States** Donna Christian,1995 **Navegando 1A** James F.
