Mibion Earth:

The Devil's Minion Jennifer Ethridge, 2003-01-01 Stevenson is a detective who finds out that she is on this planet for a completely different reason than she expected. She finds herself investigating mysterious murders that were so brutal they could not be easily explained. In her search for the truth she finds out with the help of a priest that the felon she seeks was not a man but rather a hideous beast. Her investigation takes her on a wild ride of death and destruction of biblical proportions. Seeing the destruction of whole cities and the brutal deaths of innocent people across the globe. Her only job is to stop the destruction before mankind itself is destroyed. Stevenson finds herself examining her own faith in God and the devil and finds herself wondering if it were possible for one person to save an entire planet. Can she save humanity from the destruction that it has brought upon itself?

Minion Justin Treece, 2012 Dr Kayden Archer has never been one for religion. A well known Philadelphia heart surgeon he is a self made man who believes that he alone determines his fate. But when his wife is brutally murdered Dr Archer seeks revenge initiating his new career as a vigilante. As he attempts to rid the world of evil Dr Archer evolves from a simple man into a divine being gifted with abilities that make him unstoppable. Yet his faith in the source of these gifts is misguided. As Dr Archer avenges his wife and later his mother he is clueless that he is about to unwittingly trigger an apocalypse. As love's ancient foe deceives its prey in order to gain control over the masses two people work desperately behind the scenes to stop a minion sent to recreate the world as Hell seeks fit. In this fantasy thriller Dr Archer must learn that he is the minion of forces far beyond himself before his seemingly just crusade brings about the destruction of all on earth.
