accepting it at its current face value let me add that I have indeed lived life in a very rough school and have seen more than the average man's share of inhumanity and cruelty from the forecastle and the prison the slum and the desert the execution chamber and the lazaretto to the battlefield and the military hospital I have seen horrible deaths and mutilations I have seen imbeciles hanged because being imbeciles they did not possess the hire of lawyers About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Michael, Brother of Jerry** Jack London, 2021-06-08 Michael Brother of Jerry is a novel by Jack London released in 1917 This novel is the sequel to his previous novel Jerry of the Islands also released in 1917 Each book tells the story of one of two dog siblings Jerry and Michael born in the Solomon Islands Michael an Irish terrier was born and raised in the Solomon Islands The dog now works as a slave hunter aboard a schooner on a mission to recruit native islanders for work One day the captain accidentally leaves Michael on a beach and sails away Michael was then abducted by Dag Daughtry a steward on another ship who initially planned to sell the dog for money However later he got attached to Michael and takes the dog to a trip around the world **Michael** Jack London, 2013-10 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book
