

Michael Collins Gills Irish Lives

Alan O'Day

Michael Collins Gills Irish Lives:

Contemporary Irish Studies Tom Gallagher, 1983 **Michael Collins** León Ó Broin, 1980-01-01 **Revolutionary Movements in World History** James DeFronzo, 2006-07-20 This groundbreaking three volume encyclopedia is the first to focus exclusively on the revolutionary movements that have changed the course of history from the American and French Revolutions to the present ABC CLIO is proud to present an encyclopedia that reaches around the globe to explore the most momentous and impactful political revolutions of the last two and a half centuries exploring their origins courses consequences and influences on subsequent individuals and groups seeking to change their own governments and societies In three volumes Revolutionary Movements in World History covers 79 revolutions from the American and French uprisings of the late 18th century to the rise of communism Nazism and fascism from Ho Chi Minh and Fidel Castro to the Ayatollah al Qaeda and the fall of the Berlin wall Written by leading experts from a number of nations this insightful cutting edge work combines detailed portrayals of specific revolutions with essays on important overarching themes Full of revealing insights compelling personalities and some of the most remarkable moments in the world s human drama Revolutionary Movements in World History offers a new way of looking at how societies reinvent themselves **De Valera** Tim Pat Coogan, 2015-12-16 Eamon de Valera The Long Fellow remains a towering presence whose shadow still falls over Irish life The history of Ireland for much of the twentieth century is the history of de Valera From the 1916 Rising the troubled Treaty negotiations and the Civil War right through to his retirement after a longer period in power than any other 20th century leader Eamon de Valera has both defined and divided Ireland He was directly responsible for the Irish Constitution Fianna Fail the largest Irish political party and the Irish Press Group He helped create a political church state monolith with continuing implications for Northern Ireland the social role of women the Irish language and the whole concept of an Irish nation Many of the challenges he confronted are still troubling the peace of Ireland and of Britain and some of the problems are his legacy Tim Pat Coogan s comprehensive study of this political giant is a major addition to the history of Irish British relationships Portrait of a Revolutionary Maryann Gialanella Valiulis, 1992-01-01 Richard Mulcahy was architect of the guerrilla war that forced the British to grant Dominion status to Ireland and the guiding spirit behind the civil war that ensured the survival of the new state In this illuminating portrait Maryann Valiulis uses Mulcahy s career as a focus for reexamining Ireland s transition from colony to nation state between 1916 and 1924 She also views the Irish struggle from Mulcahy s varied perspectives chief of staff in the Anglo Irish war and minister for defence and commander in chief during the civil war Contrary to traditional interpretation she argues Mulcahy and General Headquarters Staff played a crucial role in setting ethical boundaries for the guerrilla war in ensuring that the war of independence did not degenerate into wanton violence sectarian conflict or personal vengeance In the civil war Mulcahy was less successful In fact in an attempt to enforce standards and control the actions of the army he was led into his most controversial policy execution of prisoners Valiulis contends that within an atmosphere of

terror and counter terror Mulcahy and GHQ kept the threads of the revolutionary struggle woven together Under Mulcahy's direction GHQ became a focal point for a guerrilla war that the IRA may not have been able to win but thanks to Mulcahy and GHQ did not lose Mulcahy's life reveals much about the diversity of Irish nationalism the nature of the revolutionary struggle and the influence of colonialism He epitomized the political and cultural nationalist whose vision of a free and independent Ireland was a synthesis of traditions Gaelic and English constitutional and revolutionary modern and traditional From such blendings did Ireland forge an enduring democratic nation state Portrait of a Revolutionary is an essential contribution to our understanding of modern Irish history *Historical Dictionary of Ireland* Frank A. Biletz, 2026-01-08 The Historical

Dictionary of Ireland Second Edition provides a concise reliable and readable information on all aspects of Irish history society politics and culture **Ireland Today**, 1979 **Eamon de Valera** Tim Pat Coogan, 1999 **Books Ireland**, 2006

Imperialism and Its Legacy Benjamin Kline, Stephen Payne, 1990-09-28 This collection of articles deals with the effects of imperialism in the modern world Its approach is to take imperial events and contrast them with relevant contemporary events Contents Africa South Africa Ireland Imperial Intervention and Modern Legacy Contributors Harry A Gailey Clarke K Speed Mira Zussman Benjamin Kline Ged Martin Brian Girvin Ted C Hinckley Stephen M Payne Doreen Gama Farr Charles B Burdick Robert Kumamoto Michael Boll **Ireland and Hungary** Thomas Kabdebo, 2001 It was Griffith's 1904 The Resurrection of Hungary that first noted historical similarities and spiritual affinities between the two countries at opposite littorals of Europe but the historical accuracy of his work has often been questioned Kabdebo cultural studies U College Dublin argues that **A London Bibliography of the Social Sciences**, 1981 Vols 1 4 include material to June 1 1929

Charlie T. Ryle Dwyer, 1987 *Bookseller and the Stationery Trades' Journal*, 1883 [The Dark Secret of Béalnabláth](#) Patrick J. Twohig, 1991 **Studies**, 1927 An Irish quarterly review *James Connolly and the Irish Left* William Keys Anderson, 1994 James Connolly is a major figure not only in Irish history but also on the broader canvas of international socialism A man of many parts militant labour organiser socialist leader military commander newspaper editor writer political theorist his life's work was dedicated to the establishment of an Irish Republic as well as to socialist revolution and as such provides a fascinating example one might even say model of a revolutionary life This book examines Connolly's political theory and practice as it developed over the quarter century of his active commitment to socialist revolution and then explores the extent to which his political legacy provided the Irish Left with a practical and theoretical instrument of revolutionary socialism The questions which concerned Connolly related to the immediate problems and demands of effective labour organisation and revolutionary strategy pressing problems which he encountered during his daily activities as a labour leader and revolutionary He was always willing to learn from experience and to grasp new opportunities whenever they arose This of course meant that his political positions altered over time and that his thoughts and writings on issues underwent considerable change over the years The first part of the book charts and analyses those changes A political figure

of Connolly's stature was bound to exert some influence on Irish political life and on the Irish Left in particular and the second part of the book is devoted to an exploration and assessment of the nature and extent of this impact *Irish Home Rule, 1867-1921* Alan O'Day, 1998 Based on 11 primary documents from the Proclamation of an Irish State 1867 to the Articles of Agreement for a Treaty Between Great Britain and Ireland December 6 1921 and the literature on Home Rule discussed in the text the author academic affiliation unspecified examines for perhaps the first time in a single analysis the content and context of the various Home Rule schemes the opposition to self government other reform alternatives and what a Dublin Parliament was expected to accomplish Includes a chronology and glossary of key individuals and principal legislation referred to in this complex history Paper edition unsewn 24 95 Distributed in the US by St Martin's Press Annotation copyrighted by Book News Inc Portland OR

Spies, Informers and the "Anti-Sinn Féin Society" John Borgonovo, 2007 This volume presents a study of the shooting of suspected civilian informers by the Cork city IRA in 1920 1921 IRA sources claim some of the civilians were members of an Anti Sinn Féin Society The author analyses the existence of such a network alleged IRA persecution of ex soldiers and other related issues *Ireland and the Americas* James Patrick Byrne, Philip Coleman, Jason Francis King, 2008 This work is a unique multidisciplinary encyclopedia covering the cultural political economic musical and literary impact that Ireland and the nations of the Americas have had on one another since the time of Brendan the Navigator Nearly 200 000 Irish immigrants and Irish Americans fought in the American Civil War Today the American Ireland Fund a nonpolitical and nonsectarian fund has raised more than 200 million dollars for over 1 000 projects in Ireland On a proportional basis no other ethnic group has proven more inclined to emigrate or appears more widely scattered across the American continents than the Irish Ireland and the Americas Culture Politics and History aims to broaden the traditional notion of Irish American beyond Boston New York and Chicago In addition to full coverage of Irish culture in those settings it reveals the pervasive Irish influence in everything from the settling of the American West to the spread of Christianity throughout the hemisphere to Irish involvement in revolutionary movements from the American colonies to Mexico to South America In addition the encyclopedia shows the profound impact of Irish Americans on their homeland in everything from art and literature informed by the emigrant experience to efforts by Irish Americans to influence Irish politics Ranging from colonial times to the present and informed by the surge of academic interest in the past 30 years Ireland and the Americas is the definitive resource on the profound ties that bind the cultures of Ireland the United States Canada and Latin America
