Michaelis Baii Opera:

The Irenical Theology of Théophile Brachet de La Milletière (1588-1665) R.J.M. van de Schoor, 2022-06-20 In this study the content and background of La Milletière's irenism are analysed and compared to the irenism of Hugo Grotius who strove for unity in this same period The reactions which La Milletière's books and pamphlets provoked are related to the rival groups within each confession Jansenists versus Jesuits the scholars of Saumur versus orthodox theologians like Rivet and Du Moulin and the ministers of Charenton Richelieu's conciliatory religious policy was experienced by the oppressed French Calvinists as a major threat to the integrity of their doctrine When one of their co religionists La Milletière began to propagate a reunification of Protestants and Roman Catholics they did not fail to recognize these irenic proposals as Richelieu's On the other hand the Roman Catholics mistrusted this peacemaker as well This book therefore offers a contribution to the history of irenism as well as an analysis of the religious situation in France in the first half of the seventeenth century Michaelis Baii ... Opera ... Collecta, expurgata, & plurimis ... opusculis aucta: studio A. P. Theologi [i.e. Gabriel Gerberon]. [A facsimile of the original edition published in Cologne, 1696.]. Michael BAIUS, Gabriel Gerberon, A. P. (Theologus.), 1964

The Covenant of Works J. V. Fesko, 2020 The book surveys the origins of the doctrine of the covenant of works The doctrine originates in the patristic era and fully flowers in the sixteenth century among Reformed theologians The doctrine develops from a web of biblical texts and becomes codified in confessions of the seventeenth century But in the eighteenth and nineteenth centuries support for the doctrine began to wane until Reformed theologians in the twentieth century outright rejected it There were however theologians who continued to promote the doctrine because they continued to use the same interpretive methods as earlier proponents of the doctrine *Michaelis Baii ... opera ...*, 1696
