perspective div **Fantasy Review** ,1984 *Global Television and Film* Colin Hoskins,Stuart McFadyen,Adam Finn,1997

This is the first non specialist introduction to the economics of the contemporary film and television business This global industry is significant both financially and culturally and the political economy of its trade is an extremely sensitive issue Are cultural goods merely entertainmentgoods And why does the US dominate this territory The present volume offers a systematic structured explanation of how the global markets for TV and film operate while also discussing the implications for public policy and business strategy By listing in detail the economic and culturalcharacteristics related to such trade the

authors provide the tools necessary for the evaluation of international communications issues They also stress the uniqueness of cultural products and put forth the argument that the economic and cultural development approaches to cultural issues can belargely reconciled    **The Ministry Of Common Sense** Martin Lindstrom,2021-01-19 WALL STREET JOURNAL

Bestseller A humorous yet practical five step guide to ridding ourselves and our companies of bureaucratic bottlenecks and red tape During the COVID 19 pandemic the TSA is allowing passengers to board planes with unlimited amounts of hand sanitizer while maintaining its 3 4 ounce limit on all other liquids You need a chainsaw to pry open your new pair of headphones from their package Your eighth Zoom meeting of the day keeps freezing and if you hear No wait no you go first again you will implode But first you have to sit through an endless Power Point presentation that everyone claims they ve read no one has and that could have been summarized in one page What has happened to common sense And how can we get it back Companies it seems have become so entangled in their own internal issues and further beset by reams of invisible red tape that they ve lost sight of their core purpose Inevitably they pay the price Best selling author Martin Lindstrom combines numerous real life examples of corporate common sense gone wrong with his own ingenious plan for restoring logic and sanity to the companies and people that need it most A must read for today s executives managers and employees The Ministry of Common Sense is funny entertaining and immensely practical
