**and Optimism: Positive Expectation in the Christian Life** M. Blaine Smith, 2011-12 Originally The Optimism Factor Outrageous Faith Against the Odds There's a strange connection between the exercise of our faith wobbly though it may be and the growth of optimistic hope in our hearts Outrageous faith Blaine Smith calls it And he explains why as he examines the role of positive expectation in the Christian life Blaine believes that faith is the most underappreciated benefit in the Christian life today Christians who do emphasize faith often take it to an unhealthy extreme just believe anything can happen and God will accomplish it for you Yet most Christians don't emphasize faith enough even though it is upheld constantly in Scripture as the means by which we receive the grace of God and every benefit he provides In this book Blaine looks closely at what the biblical attitude of faith involves He concludes that it means an overwhelmingly optimistic view of God and of his willingness to provide the best for each of us He considers how we can exercise faith in the most authentic sense by taking challenging steps to realize our personal potential And he offers practical wisdom on how to rekindle our optimism when it's lost rebound from disappointment distinguish healthy faith from unreasonable expectations find the heart to make new beginnings overcome our fears of change handle our shifting view of God let go of problems that aren't ours Blaine Smith's The Optimism Factor first published by InterVarsity Press is republished by SilverCrest Books Praise for The Optimism Factor A profound practical and positive exposition of the importance of living our faith and in the process seeing our lives both realistically and with the optimism that comes only from surrender to Christ JACK KEMP former New York congressman and secretary of HUD Smith helps readers move from discouragement to hope learning to win through failure Bookstore Journal Read this book and you will find your misconceptions of faith trashed The twenty six chapters make this book an ideal daily devotional Moody Monthly Editors Choice Family Bookshelf 1995 **Paperbound Books in Print** 1995 Reed Reference Publishing, R5ference Reed, 1995-12 **Forthcoming Books** Rose Arny, 1995-02

Gravelle,Jack Young,2023-10-25 About the Book Across this country we seem to have elite politicians and big corporations telling us they should be trusted and that We the People should be little sheep and remain quiet so a new world order can be created They don t need our input since they already know what we want Mainstream media programs always want to get the experts advice so they get high profile politicians to talk down to Americans It is sad because most of America has become brainwashed That includes Democrat and Republican constituents Several of us see through the lies and are becoming more vocal This is a book where you the citizens of this great country tell everyone how we really feel about where this country is heading Politicians should read this and understand that we are fed up with the lack of action from them This book is easy to read the chapters are not long enough to bore you This book is dedicated to all those individuals who took the time to answer the questions I asked over several months This book covers current hot topics in America that are sure to affect our future Basically this book is by the people for the people and shares the opinions of the Soldiers that I interviewed I am sure that Jack and I will be criticized by some for these topics We don t care we must wake people up before we lose our basic rights and freedoms These fed up citizens who kindly agreed to be interviewed are Patriots and without them we could not have completed this book Jack and I are just the conduit everyone who shared their stories made writing this book for all people an amazing and rewarding experience About the Author Dennis Gravelle and Jack Young are forming a minor political party in South Carolina called the Independent Constitutional Party They feel you must be the one to stand out in front and be a leader in politics rather than sit and complain Gravelle loves to golf go on walks going to the beach or watching a local band with a great friend Madeline Trying different restaurants for dinner is also a great way to meet people especially here in Myrtle Beach SC As a veteran he s a local member of the VFW Gravelle has a Bachelor of Science in Public Safety and Emergency Management and a Master of Science in Leadership with an emphasis in Homeland Security and Emergency Management After 9 11 he rejoined the military in the NY Army National Guard as a photojournalist service one year in Iraq writing stories about the amazing men and women Soldiers serving in a war zone
