*Options Trading for Beginners* Tim Shek, 2019-07-20 Are you looking to learn about investing Are there too many sources Are there too many books that are full of technical jargon that nobody understands No idea where to get started If your answer is yes then this book is the 1 guide to get you started Maybe you have money sitting in the bank that s not growing Maybe inflation is eating it out faster than your dog would eat through a fried chicken Maybe you made some bad investments in the past and are weary about the future The answer to all the above concerns is knowledge and putting that knowledge to the test The benefit of this book is that it explains the concepts of options in layman s terms There is a section on technical terms which explains each of them clearly You can learn why options trading is better than most investments out there While there are a 100 different ways to invest your money there are very few ways to help reduce your downside risk Options Trading if done right can help hedge against bad stock performance However options trading is very confusing with lots of methods long definitions and puzzling contracts The media also tends to simplify the stock market by talking about stocks and bonds only As a result most people do not bother looking into options Heck a lot of people haven t

even heard of options trading But I assure you options trading can be significantly profitable and a great complement to your existing investment portfolio Here s What s Included In this Book How Options Can be Superior to Stocks and how you can use this knowledge to maximize your profits 5 of the very best brokerages to get you started investing in options Why the Strike Price is the a very important part of an Options Chain and other common definitions The one method used by Options Traders to Generate Passive Income in a Recession Why a Put Option is safer than a Short in a recession with several examples The Best Indicator to Determine if you are in a Bear or Bull Market 5 Advanced Options Strategies to take your Income to the Next Level Many traders avoid options because of the myth that options are risky difficult to understand and that a good number of options expire worthlessly However this is not true After reading this book your mindset will change completely and you will start seeing options trading differently      Options Trading Mark Atwood,2018-07-04 How would it feel to work minimum hours and still make thousands of dollars every month In this book you ll learn how to generate and exponentially grow your income like never before with the help of options trading Are you a beginner to options trading or someone who s not currently making enough money Do you need a straight forward book that guides you towards the right path with valuable information and knowledge Are you looking for content that is actually useful and applicable You have come to the right place Here you have a book with well researched and high quality content that is made to help you Unlike most books out there this one has got actual information that can be used and not a bunch of nonsense fluff just to fill out the pages What you will find in this book is a one time investment that is guaranteed to benefit you for a lifetime Take action now A Short Preview Options Trading Basics Options Trading System Market Trend Analysis for Options Trading Advantages and Disadvantages Of Options Trading Benefits Of Online Trading Stock Market Guides For The Beginner Options Trader Options Trading Strategies Options Trading Risks Much Much More Why This Book Is The Right Choice For You As an already successful investor and trader I know what works and what doesn t The knowledge I have today is based on years of research trial and error lessons learned and tons of profits made I m not some random guy who was bored an evening and decided to write a book based on the information I found on Wikipedia I have been in the game for a long time and I know what I m doing In this book you ll find what you actually need to know Truth be told you will not become a millionaire the next day after reading this book If that is what you re looking for you should look elsewhere Any wise person would know that building wealth takes time You either choose to buy into the get rich quick schemes that are out there or you change your mindset realize that overnight tickets to riches doesn t exist and put in some work instead This book however will make sure to give you a head start and take you there much faster GET Your Own Copy Today Act NOW Don t wait for the perfect opportunity Trading options is an effective way of making money Your time however will run out eventually if you do not act soon Taking action is a key component in becoming successful in building wealth or just achieving financial freedom Want to know what the best part about options trading is The absolute best part about options trading is the fact that you earn the money via the
