[Walking Shadows](#) Ib Johansen, 2015-08-25 Walking Shadows focuses on the American fantastic and the American grotesque attempting in this manner for the first time to establish an overview of and a theoretical approach to two literary modes that have often been regarded as essential to an understanding of the American cultural canon The central importance of these two literary forms

has been pointed out earlier by important theorists such as Stanley Cavell David Reynolds and William Van O Connor A number of literary works from the beginning of the nineteenth to the end of the twentieth centuries are taken up in order to illustrate the inherent links or family resemblances between the two modes with special reference to the way in which a Bakhtinian reading may facilitate our appreciation of their status within the canon These excursions into the House of Fantastic and Grotesque Fiction may be of interest not only to hardcore aficionados but also to philosophically minded readers in general in particular perhaps to those who have paid acute attention to debates on late twentieth and early twenty first century post structuralism and deconstruction where the classic positions of Foucault Derrida et al still appear to be relevant

Taking Sides Moral Issues Stephen Satris, 2003 A debate style reader provides an introduction to each moral issue covered followed by two arguments presenting opposing viewpoints on the topic

Mr. Playboy Steven Watts, 2009-03-23 Spans from Hefner s childhood to the launch of Playboy magazine and the expansion of the Playboy empire to the present Puts Hefner s life and work into the cultural context of American life from the mid twentieth century onwards Contains over 50 B W and color photos including an actual fold out centerfold

Debating Sexual Correctness Adele Stan, 1995-02-02 The debate continues over what constitutes sexual correctness Should we learn to live with date rape pornography and sexual harrassment as simple facts of life Or are these mere claims borne out of a victim mentality Either way women are in danger of losing their sexual freedom

[The Forbidden Apple](#) Kat Long, 2009 Theres a great history of racy entertainment covering itself if scantily in a cloak of righteous education Kat Long describes these protective measures or ruses Long also chronicles the way that initiatives to eradicate vice only helped pave the way for its further evolution in the city New York Times Book Review Kat Long covers the great upheavals that have pushed the advantage in the sex wars one way or the other Village Voice Long s The Forbidden Apple is a fast paced and vivid overview documenting the conflicts between evangelical moralists and defenders of sexual expression commercial and otherwise Anyone interested in New York City or sex will have to pick this up Timothy Gilfoyle author City of Eros and A Pickpocket s Tale Long has provided a fascinating overview of sex in New York City since the Civil War Everything you always wanted to know and a lot you would never have suspected Kevin Baker author of Strivers Row Paradise Alley and Dreamland The Forbidden Apple A Century of Sex the women s movement at the turn of the twentieth century the hedonistic roaring twenties the rise of Times Square as the city s sexual epicenter in the 1940s and 1950s the birth of the gay rights movement in the 1960s the decadence and pornography of the 1970s and the AIDS epidemic of the 1980s The first ever comprehensive sexual history of New York City The Forbidden Apple shows how many of this country s most important sexual trends got their start in New York and also demonstrates how the repressive forces of morality and decency have waged war against the forces of sexual liberation and freedom throughout the city s history
