*Ordering Your Private World* Gordon MacDonald, 1987 Is there a genuine inner life a private inner world that each of us possess The Scriptures and the experiences of the great saints say that there is and that the inner life can be ordered and regulated Where people live with disorder within there is anxiety and little growth but where the private world is constantly realigned to the image of God there is remarkable personal development and Christian witness

*Rebuilding Your Broken World* Gordon MacDonald, 2004-01-05 What happens when your ideals and desires plans and strategies all go awry From what sources might one find the resolve to begin a rebuilding process The fact is writes Gordon MacDonald in *Rebuilding Your Broken World* the God of the Bible is a God of the rebuilding process And not enough broken people know that No stranger himself to brokenness Gordon MacDonald draws from personal experience and discusses the likely sources of pain the humiliation and the long and short range consequences of a broken personal world And he offers encouraging answers to the questions everyone asks when their worlds fall apart Is there a way back

*Wounded Saints* Fran Sciacca, 1992 **Going Deep** Gordon MacDonald, 2011-10-18 The future of the Christian faith will not be determined by the number of people who fill the pews but by the spiritual depth of those people Pastor Gordon MacDonald revisits the fictional New England congregation of his critically acclaimed book *Who Stole My*

Church to deal with a new dilemma What's his church's story What is it doing that justifies its existence The importance of these questions is anything but fiction Through a series of e-mails and discussions with friends and parishioners Pastor Gordon's search for their story leads him to realize that the future of the Christian faith and thus the church is at risk As MacDonald says We seem to know how to get unchurched people to visit our buildings We even seem to know how to draw them across the line into a declaration of personal faith in Jesus But what we do not seem to know is how to cultivate spiritually deep people Tomorrow's church could be headed for trouble Deep people People who possess spiritual awareness and maturity people with solid grounded life altering faith MacDonald shows that the church needs people with a passion for God's presence and a desperate hunger to seek him above all things Join Pastor MacDonald and his congregation on their quest to cultivate spiritual depth and grow into a community of believers whose hearts and minds are truly focused on God

With strength and focus Well you can Veteran pastor and best selling author Gordon MacDonald says you must develop resilience the courage and ability to get up when you fall to keep running when you re bone weary and to keep your eye on the goal even in the murkiest moments Using the backdrop of his own experiences as a champion runner MacDonald demonstrates how resilient people Practice spiritual self discipline to build stamina and grit Know what s up ahead what obstacles they will likely face and Bond with special friends who share their commitment to finishing well Because he has also run many long punishing laps in the tough race of life MacDonald is uniquely qualified to coach and encourage you in developing that resilient spirit to weather adversity to finish what you start and to never be satisfied with anything short of God s best for you
