Anglicisms around the Globe Henrik Gottlieb,Anabella-Gloria Niculescu-Gorpin,Alicja Witalisz,Keisuke Imamura,Jaime W.
Hunt,2025-11-14 This collection explores the global impact of English through fact based and contrastive analyses of
different types of Anglicisms across a wide range of languages This volume showcases the ways in which contact induced
language change operates across several different languages simultaneously This approach allows for an examination of
similarities and differences in the adaptation processes of English models in languages with differing phonetic morphological
syntactic and writing systems Drawing on data from the Global Anglicism Database GLAD the first multilingual repository
featuring lexical and phraseological Anglicisms chapters look not only at visible Anglicisms such as augmented reality or easy
listening which reflect their English origin but also at invisible Anglicisms cases in which English expressions are translated
verbatim and cases when words in a recipient language change their meaning due to English influence This volume offers a
multi layered perspective on how Anglicisms develop and blend into different languages and readers are presented with a
nuanced understanding of contact induced language change This book will appeal to students and scholars interested in
