The Routledge Handbook of Media Education Futures Post-Pandemic Yonty Friesem, Usha Raman, Igor Kanižaj, Grace Y. Choi, 2022-09-13 This handbook showcases how educators and practitioners around the world adapted their routine media pedagogies to meet the challenges of the COVID-19 pandemic, which often led to significant social, economic, and cultural hardships. Combining an innovative mix of traditional chapters, autoethnography, case studies, and dialogue within an intercultural framework, the handbook focuses on the future of media education and provides a deeper understanding of the challenges and affordances of media education as we move forward. Topics range from fighting disinformation to how vulnerable communities coped with disadvantages using media, transforming educational TV or YouTube to reach larger audiences, supporting students' wellbeing through various online strategies, examining early childhood parents and media mentoring using digital tools, reflecting on educators' intersectionality on video platforms, youth-produced media to fight injustice, teaching remotely and providing low-tech solutions to address the digital divide, search for solutions collaboratively using social media, and many more. Offering a unique and broad multicultural perspective on how we can learn from the challenges of addressing varied pedagogical issues that have arisen in the context of the pandemic, this handbook will allow researchers, educators, practitioners, institution leaders, and graduate students to explore how media education evolved during 2020 and 2021 and how these experiences can shape the future direction of media education.

Digital Literacy In The 21st Century: How To Improve Your Digital Skills Nurbaiti Ali, 2024-12-09 As educators, parents, and mentors, we recognize that traditional literacy skills are no longer sufficient. The ability to read and write effectively in a digital context requires a new set of competencies. This book sheds light on how adolescents can harness digital tools to enhance their reading comprehension and writing abilities. It emphasizes critical thinking, creativity, and collaboration skills that are vital in today's interconnected society. This book is not just for educators; it is a valuable guide for anyone who works with adolescents. Parents will find insights into how to support their children's literacy development in a digital age, while students themselves can benefit from the tips and strategies provided throughout.

Teaching Internet Basics Joel A. Nichols, 2014-10-14. Perfect for public librarians, instructional librarians, technology and digital resource specialists and library training specialists, this book is an essential resource for digital literacy instruction. According to Pew research published in 2013, two thirds of public libraries report that technology training is important in their communities and that 86.5 percent of public libraries offer classes on general Internet use. Despite the ubiquitous nature of the Internet and digital media, digital literacy instruction remains one of the major job duties of 21st century librarians. In this book, author Joel Nichols helps you to close the digital divide and make a difference in increasing information and digital literacy for your patrons, offering tested content and methods that will make it easier for librarians to provide effective digital literacy instruction. With its discussion of key Internet safety and security topics for inexperienced Internet users, this hands-on practical guide is what you need for approaching and solving these digital literacy instructional challenges. This manual serves librarians who are teaching computer and Internet basics to patrons with little or no experience by providing a packaged solution with ready-made training scripts and practical examples that teach basic digital literacy techniques. The guide also fills any gaps in your knowledge or experience and gets you up to speed with the latest digital information needs of users in order to form a solid foundation from which to provide instruction with the supplied curriculum.
