During the COVID 19 pandemic, the TSA is allowing passengers to board planes with unlimited amounts of hand sanitizer while maintaining its 3 4 ounce limit on all other liquids. You need a chainsaw to pry open your new pair of headphones from their package. Your eighth Zoom meeting of the day keeps freezing and if you hear No wait no you go first again you will implode. But first you have to sit through an endless Power Point presentation that everyone claims they've read no one has and that could have been summarized in one page. What has happened to common sense? And how can we get it back? Companies it seems have become so entangled in their own internal issues and further beset by reams of invisible red tape that they've lost sight of their core purpose. Inevitably they pay the price. Best selling author Martin Lindstrom combines numerous real life examples of corporate common sense gone wrong with his own ingenious plan for restoring logic and sanity to the companies and people that need it most. A must read for today's executives, managers, and employees. *The Ministry of Common Sense* is funny, entertaining, and immensely practical.
