Instituted by God Adam Murrell, 2012-03-16 How would Jesus vote That s the one question people ask repeatedly and folks on both sides of the political aisle think they know the answer Into this overwhelmingly complex political question Adam Murrell brings a concise compelling and nonpartisan exploration of what God s Word has to say on a myriad of issues ranging from the role of civil government and single issue voting to the ethics of voting and a woman s role in politics *Instituted by God* isn t intended to tell you which candidate to support rather it offers you a wholly biblically centered way of looking at candidates to help you draw your own political conclusions This election season don t cast an uninformed vote that fails to reflect your Christian values Instead learn how to apply the teachings of the Bible your faith and your obedience to God to your ballot This timely helpful and daring book will enable you to do just that The Holy Word for Morning Revival - Lessons on the God-ordained Way, Volume 1 Witness Lee, 2017-07-10 This book is intended as an aid to believers in developing a daily time of morning revival with the Lord in His word At the same time it provides a review of the July 2002 summer training on the God ordained Way This training covered the book *Lessons on the God ordained Way Through intimate contact with the Lord in His word* the believers can be constituted with life and truth and thereby be equipped to prophesy in the meetings of the church unto the building up of the Body of Christ **If God Is Good** Randy Alcorn, 2014-06-17 Suffering is in the end God s invitation to trust him As he did in his best selling book *Heaven* Randy Alcorn delves deep into a profound subject and through compelling stories provocative questions and answers and keen biblical understanding he brings assurance and hope to all Publishers Weekly Every one of us will experience suffering You may be in such a time now We see the presence of evil in the headlines every day It all raises questions about God Why would an all good and all powerful God create a world full of evil and suffering How can there be a God if suffering and evil exist Atheists

such as Richard Dawkins and even former believers like Bart Ehrman answer the question simply The existence of suffering and evil proves there is no God But in this illuminating book best selling author Randy Alcorn challenges the logic of disbelief and brings a fresh hopeful and thoroughly biblical insight to the issues these important questions raise Alcorn offers insights from his conversations with men and women whose lives have been torn apart by suffering and yet whose faith in God burns brighter than ever He reveals the big picture of who God is and what God is doing in the world now and forever And he shows the beauty of God s sovereignty how it ultimately triumphs over suffering and evil in our lives and the world around us
