Managing Human Resource Decisions Lawrence H. Peters, Charles R. Greer, Brian A. Large, 1991 *Managing Human Resource Decisions* Lawrence H. Peters, Charles R. Greer, Brian A. Large, 1991-01-01 **Human Resource Management: Text & Cases, 2nd Edition** Pande Sharon & Basak Swapnalekha, 2015 In a constantly evolving service led Indian economy human resources have become the cornerstone of an organization's success. The management of human capability has become an art that has to be understood and mastered to run a successful enterprise. Human Resource Management Text and Cases 2e explains the basic concepts of this discipline and presents cases that provide an insight into the challenges faced by HR professionals on a day today basis. Going beyond the coverage of a traditional textbook, this book focuses on applied aspects of HRM which capture the evolving challenges in the field. The authors have used their extensive real world work experience in talent acquisition and human resource development and retention to provide a lucid explanation of all major concepts of human resource management. Replete with examples and cases, this title is a complete guide for all MBA students and HR practitioners. **KEY FEATURES** Extensive coverage of HR best practices and innovations. Sample ready to use formats of relevant documents. Thought provoking chapter opening cases to set the context for learning in the text ahead. Application cases to showcase real world implementation of concepts. PowerPoint slides and Question Bank for teachers.

**Principles of Management: Text and Cases** Dipak Bhattacharya, 2012 Principles of Management Text and Cases introduces students to the fundamentals of management through a balanced blend of theory and practice. The opening vignettes and cases depict real world situations and problems that managers face while highlighting the management practices of successful Indian and foreign companies. Samples of a leave policy, a strategy and action plan for human resource management, an application blank and a code of ethics are appended to a few chapters to further illustrate the way organizations function. In addition to the concepts, the book also delves into the various academic perspectives that have evolved over time to provide the readers an integrated view of different approaches to management. Proceedings ... Annual Southern Industrial Relations and Human Resource Conference, 1993 **Cases on Technologies for Educational Leadership and Administration in Higher Education** Luppacini, Rocci, 2012-05-31 Institutions of higher learning rely heavily on technological innovation to effectively deliver educational services and provide students with a quality experience. Thus the ability of leaders and administrators at these institutions to produce effective policy and to innovate in an evolving world hinges on successfully applying technological solutions to everyday challenges facing their college or university. Cases on Technologies for Educational Leadership and Administration in Higher Education brings together a collection of practical case studies exploring the application of new technologies such as student management systems and enterprise resource planning along with strategies that educational leaders can use to foster organizational change. Targeted toward college and university administrators and leaders, this book discusses successful strategies for managing universities in the tech savvy
