Civil Service Systems in Anglo-American Countries John Halligan, 2003 Civil Service Systems in Anglo American Countries presents a comprehensive overview of the important issues in modern bureaucracies combined with a comparative analysis of the civil service systems and administrative traditions of five Anglo American nations Australia Canada Great Britain New Zealand and the United States In each chapter expert

contributors undertake a systematic analysis of each country's civil service from three broad perspectives external relations internal constituent features and patterns of change. By employing a comparative framework in conjunction with empirical research they are able to emphasise the specific nature characteristics and development of each civil service system. They also highlight the historical developments and reforms associated with the Anglo American model which are often highly distinctive compared with other OECD nations. The book concludes with a systematic comparison of each civil service system attempting to find parallels and variations between them. Scholars and students of public administration political science and international affairs will value this unique comparative study of the civil service traditions of Anglo American countries.
