**Rising Sun: China & Manchukuo** Philip S. Wu, 2022-12-28 China and the Soviet Union first published in 1950 is written by a Chinese former diplomat and university professor and calls on his many years of experience to provide an even handed analysis of Sino Russian relations It ranges back to 1618 for some much needed historical background but the major part of Wu's examination of the diplomatic relations between the two countries deals with the Soviet Union since 1918

**Congressional Record** United States. Congress, 1948 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789-1824 the Register of Debates in Congress 1824-1837 and the Congressional Globe 1833-1873

**Manchu period (1894-1911)** John Van Antwerp MacMurray, 1921      **Nelson's Perpetual Loose-leaf**

**Encyclopaedia** John Huston Finley, 1909      **The China Weekly Review**, 1930      **Stalin** Stephen Kotkin, 2018-11-20 Monumental The New York Times Book Review Pulitzer Prize finalist Stephen Kotkin has written the definitive biography of Joseph Stalin from collectivization and the Great Terror to the conflict with Hitler's Germany that is the signal event of modern world history In 1929 Joseph Stalin having already achieved dictatorial power over the vast Soviet Empire formally ordered the systematic conversion of the world's largest peasant economy into socialist modernity otherwise known as collectivization regardless of the cost What it cost and what Stalin ruthlessly enacted transformed the country and its ruler in profound and enduring ways Building and running a dictatorship with life and death power over hundreds of millions made Stalin into the uncanny figure he became Stephen Kotkin's Stalin Waiting for Hitler 1929-1941 is the story of how a political system forged an unparalleled personality and vice versa The wholesale collectivization of some 120 million peasants necessitated levels of coercion that were extreme even for Russia and the resulting mass starvation elicited criticism inside the party even from those Communists committed to the eradication of capitalism But Stalin did not flinch By 1934 when the Soviet Union had stabilized and socialism had been implanted in the countryside praise for his stunning anti capitalist

success came from all quarters Stalin however never forgave and never forgot with shocking consequences as he strove to consolidate the state with a brand new elite of young strivers like himself Stalin's obsessions drove him to execute nearly a million people including the military leadership diplomatic and intelligence officials and innumerable leading lights in culture. While Stalin revived a great power building a formidable industrialized military the Soviet Union was effectively alone and surrounded by perceived enemies. The quest for security would bring Soviet Communism to a shocking and improbable pact with Nazi Germany. But that bargain would not unfold as envisioned. The lives of Stalin and Hitler and the fates of their respective dictatorships drew ever closer to collision as the world hung in the balance. Stalin Waiting for Hitler 1929-1941 is a history of the world during the build up to its most fateful hour from the vantage point of Stalin's seat of power. It is a landmark achievement in the annals of historical scholarship and in the art of biography.
