Manet /Ordrupgaard Matthias Wivel, 1989 Masterpieces of European Painting, 1800-1920, in the Metropolitan Museum of Art Metropolitan Museum of Art (New York, N.Y.), Kathryn Calley Galitz, 2007 **Painted Love** Hollis Clayson, 2003-10-30 In this engrossing book Hollis Clayson provides the first description and analysis of French artistic interest in women prostitutes examining how the subject was treated in the art of the 1870s and 1880s by such avant garde painters as C zanne Degas Manet and Renoir as well as by the academic and low brow painters who were their contemporaries Clayson not only illuminates the imagery of prostitution with its contradictory connotations of disgust and fascination but also tackles the issues and problems relevant to women and men in a patriarchal society She discusses the conspicuous sexual commerce during this era and the resulting public panic about the deterioration of social life and civilized mores She describes the system that evolved out of regulating prostitutes and the subsequent rise of clandestine prostitutes who escaped police regulation and who were condemned both for blurring social boundaries and for spreading sexual licentiousness among their moral and social superiors Clayson argues that the subject of covert prostitution was especially attractive to vanguard painters because it exemplified the commercialization and the ambiguity of modern life Manet Mikael Wivel, 1989 *Kunstmuseets årsskrift*, 1918 Collecting and Museology Florian Dobmeier, Andrea M. Gáldy, 2019-12-19 To celebrate the first ten years of the international forum Collecting and Display as well as the launch of a dedicated series of publications Collecting Histories in 2014 a conference dedicated to new directions in terms of collecting display visitor experience and the use of modern media in today's museums was held at museums of the city of Memmingen in Bavaria Speakers looked into whether and how the engagement with the history of collections in their diverse permutations has influenced and modified modern museology This volume looks forward towards a future which oftentimes looks bleak due to funding cuts lack of appreciation of cultural history and a sometimes dubious art trade in times of looting and vandalism On the positive side the future of museums and museology nonetheless offers exciting prospects as far as diverse possibilities of display as well as museology courses taught at universities worldwide are concerned not to forget the rising visitor numbers at many of the great museums worldwide Collecting and Display www.collectinganddisplay.com is an international forum founded by three scholars in 2004 The group has been running a research seminar at the Institute of Historical Research at the University of London since 2005 and in Florence from 2008 to 2012 The forum has organised international summer conferences in London Ottobeuren Florence Irsee and Jerusalem since 2006 Kunstmuseets årsskrift
