Manga Shoujo:

The Complete Idiot's Guide to Drawing Manga Shoujo Illustrated Matt Forbeck, Tomoko Taniguchi, 2008 Describes how to draw in the shoujo manga style providing step by step instructions on developing characters scenes and action poses

Shoujo Manga Mara Erlach, 1999 **How To Draw Shojo Manga** HowExpert, Caselyn Villar, 2012-08-19 This book mainly focus on character designing Mainly how to design your own shoujo character We focus more on how to draw significant faces and draw significant clothing and to call it your own and not to be confused with other styles of manga because reading this would make you understand every types of styles out there Reading this book alone will be like reading all of the books out there that focus on how to design a character because In this style you're not only using one styles but all of them it might sound unrealistic but it remains it's true I've complied almost all of the things I learned from all of the books I have read but they're not enough because they usually focus on I'll show you how to draw like me types of lessons But now I made the perfect type of guideline myself that could make you know how to draw all characters out there and by looking into the styles of others you'll know what category they belong to or what type of facial styles they use or the basic shape they used to make that type of clothing or face almost like how a psychologist read the minds of people HowExpert publishes quick how to guides on all topics from A to Z by everyday experts How to Draw Shojo Supersize Robert

Acosta, Various, 2003 This book encourages manga fans to learn sequential storytelling hone their art skills in anatomy perspective inking body language and facial expressions and discover how to post their comics on the web and find work in the comics field

Manga Mania Shoujo Christopher Hart, 2004 Reveals the techniques of shoujo the style of Japanese comic book based on stories of peer pressure friendship and romance and offers information on its unique stylistic characteristics and tips on drawing different character types

Manga for the Beginner Shoujo Christopher Hart, 2011-07-05 The ultimate guide to creating the most popular form of manga shoujo If you're reading this you already love shoujo But now you'll be able to take the next step and actually write and draw your very own The teen characters that populate the genre are outrageously cool including magical girls demon gals cat girls J rockers handsome teen boys Goth boys and the increasingly popular elegant older young men that shoujo fans adore No one can top Christopher Hart in helping you learn some fundamental art techniques that will bring shoujo characters which are more realistic and less cartoon like than other styles of manga to life His drawings in this book reflect the coolest and latest style Tokyo has to offer and the easy to follow steps are designed for the beginner From coloring to character development Manga for The Beginner Shoujo has your back on every detail as you learn to create the most beloved of all manga You may start off as an otaku a manga fan but you'll end up a mangaka a manga artist
