Manhattan Cocktail:

[The Manhattan Cocktail](#) Albert W.A. Schmid, 2015-09-28 History, lore and over fifty recipes in a compulsively readable book about a classic American cocktail. Susan Reigler, author of *Kentucky Bourbon Country*. Alongside such classics as the Old Fashioned, Mint Julep and Martini, the Manhattan has been a staple of the sophisticated bar scene since the nineteenth century. Never out of style, this iconic drink has seen a renaissance in the craft cocktail movement with a boost from TV's *Mad Men*. In theory, the recipe is simple: a mixture of whiskey, vermouth and bitters, stirred with ice, strained and presented in a cocktail glass, garnished with a cherry. But the exact ingredients and proportions, as well as the drink's true origins, inspire great debate. In this guide, Albert W.A. Schmid dispels myths including the tale that the Manhattan was created in 1874 by bartenders at New York City's Manhattan Club to honor the newly elected Governor Tilden, at Lady Randolph Churchill's request. Schmid also explores places and people that have contributed to the drink's popularity and inspired its lore, including J.P. Morgan, who enjoyed a Manhattan every day at the end of trading on Wall Street. The *Manhattan Cocktail* also examines the effects of various bourbons and whiskeys on the aroma and flavor, even answering the age-old question of shaken or stirred. With over fifty recipes, as well as notes and anecdotes from personalities ranging from renowned mixologist Dale DeGroff to writer Sir Kingsley Amis, it will delight both the cocktail novice and the seasoned connoisseur.

[Manhattan Cocktail](#) Lewis Burke Frumkes, 2000-05-18 In the spirit of Robert Benchley with the updated slant of humorists such as Dave Barry. Lewis Burke Frumkes brings us *Manhattan Cocktails*. In this delirious collection, Frumkes parodies normalcy through mild-mannered satire, bizarre concepts and sly sophistication. *Manhattan Cocktail* intoxicates us, blending vintage Americana with modern mania. Frumkes puts a spin on our lives, adding a twist to our perceptions of children, social status, balding, executive giftmanship and all the other staples of daily living. Both old fans and new will be delighted and entertained as they immerse themselves in Frumkes' outlandish observations.

[The Manhattan](#) Philip Greene, 2019-02-15 When the *Manhattan* came along, it changed everything. As Gotham's finest watering holes embraced the new concoction, the original cocktail soon became old hat and known as the Old Fashioned. Cocktail historian Philip Greene expertly traces the evolution of this new drink from its competing origin stories through its continuing influence and extensive progeny, including the almighty Martini. Richly illustrated with vintage ads and artwork and luxe photographs, this definitive illustrated story of the *Manhattan* also offers 65 easy-to-follow recipes. Classic variations and contemporary updates range from the Brooklyn and the Vesper to the Little Italy and Red Hook. If you're thirsty for a good story, you've come to the right place.

Cocktails Simon Difford, 2008-02 The 7th edition of a book that is widely regarded by members of the drinks industry as the most complete and authoritative cocktail publication available. It contains 2,250 easy-to-follow cocktail recipes, each accompanied by a colour photograph. It also includes detailed instructions for beginners, tips for bar professionals, reviews of the top 100 international bars and a history of the cocktail.
