Civilisations in Conflict? J. Andrew Kirk,2011    **Faith in the Millennium** Stanley E. Porter,Michael A. Hayes,David Tombs,2001-02-01 At the close of one millennium and the beginning of a new one this conference volume reflects on the past

and looks forward to a new era in terms of the development of faith. Although most of the papers in the volume address issues concerning Christian faith the volume is not confined to such a perspective since the concept of faith is treated here in an encompassing and broad manner. The historical perspective reaches back several millennia and addresses contemporary issues of economics and justice as they have a bearing on faith and looks to the future as a new millennium presents its own problems and potential opportunities.
