Persuasive Preacher** David A. Christensen,2020-07-16 How can we preach persuasively without huckstering manipulating
or coercing people Sadly we are seeing the fall of many pastors not for reasons of sexual immorality but the pursuit of pride
and power The skillful use of marketing methods creates celebrity pastors who become significant influencers in the
evangelical church The lure of success is seductive turning pastors into hucksters and Christians into consumers We need to
heed the warnings of the New Testament about the pride of rhetoric and the pursuit of power David Christensen carefully
analyzes the biblical warnings of Paul about the temptations of rhetorical sophistry in the first century church and applies
them to pastoral ministry today God calls preachers to be ethical and effective persuaders David develops an ethical grid for
pastoral persuasion using principles drawn from the Bible and social science along with practical illustrations from his years
of ministry He calls preachers to be ethical and effective persuaders by emphasizing the centrality of the word of God while
depending on the power of the Spirit of God
